D H Lawrence In His Time 1908 1915:

D. H. Lawrence in His Time Kim A. Herzinger, 1978 **D.H. Lawrence in His Time, 1908-1915** Kim A. Herzinger, 1982 This study approaches Lawrence by placing him in the cultural matrix of his time The author shows how Lawrence s work displays both an impulse toward community and a reaction away from the community and toward the enclave The Transformation of the English Novel, 1890-1930 D. Schwarz, 1995-02-27 In an exciting and important book The theoretical chapters are a model of elegantly styled accommodation yet they brook no fudging of the issues no comfortable ambiguities Modern Fiction Studies The Transformation of the English Novel 1890 1930 Studies in Hardy Conrad Joyce Lawrence Forster and Woolf is a provocative exploration of a crucial period in the development of the English novel integrating critical theory historical background and sophisticated close reading Divided into two major sections the first shows how historical and contextual material is essential for developing powerful readings The second section is theoretical and speaks of the transformation in the way that we read and think about authors readers characters and form in the light of recent theory offering an alternative to the deconstructive and Marxist trends in literary studies **The Transformation of the English Novel, 1890-1930** Daniel R. Schwarz, 1989-06-18 Focusing on the work of Hardy Lawrence Conrad Joyce Forster and Woolf this study is divided into two sections the first shows how historical and contextual material is essential for developing powerful readings the second discusses how new theory has transformed the way we read and think **Reading the Modern British and Irish Novel 1890 - 1930** Daniel R. Schwarz, 2008-04-15 Daniel R Schwarz has studied and taught the modern British novel for decades and now brings his impressive erudition and critical acuity to this insightful study of the major authors and novels of the first half of the twentieth century An insightful study of British fiction in the first half of the twentieth century Draws on the author s decades of experience researching and teaching the modern British novel Sets the modern British novel in its intellectual cultural and literary contexts Features close readings of Hardy s Jude the Obscure Conrad s Heart of Darkness and Lord Jim Lawrence s Sons and Lovers and The Rainbow Joyce s Dubliners and Ulysses Woolf s Mrs Dalloway and To the Lighthouse and Forster s A Passage to India Shows how these novels are essential components in a modernist cultural tradition which includes the visual arts Takes account of recent developments in theory and cultural studies Written in an engaging style avoiding jargon **The Consciousness of D.H. Lawrence** Daniel J. Schneider, 1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life *Routledge Revivals: D.H. Lawrence (1983)* Thomas Jackson Rice, 2018-02-01 Originally published in 1983 D H Lawrence is an annotated bibliographic collection of works by and about D H Lawrence Consisting of three parts the primary

bibliography contains separate bibliographies of Lawrence's major publications of collection editions of his works of his letters and of concordances to his writings The secondary bibliography contains bibliographies of biographical and critical publications concerning Lawrence generally or his individual works Appendixes and Indexes include an extensive checklist of major foreign language publications concerning Lawrence and a useful topical and thematic subject index for the guide

Dora Marsden and Early Modernism Bruce Clarke, 1996 Arguing that Marsden's contributions have been neglected and misunderstood *Dora Marsden and Early Modernism* seeks to restore Marsden to her proper status as one of the major influences on modern British and American literature as well as the early literary sensibilities of D H Lawrence Ezra Pound and William Carlos Williams *The Letters of D.H. Lawrence & Amy Lowell, 1914-1925* David Herbert Lawrence, Amy Lowell, E. Claire Healey, 1985 *Encyclopedia of the Essay* Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **The Making of the Modern Artist** Ernest L. Veyu, 2012-12-19 *The Making of the Modern Artist* Stephen Dedalus and Will Brangwen examines two fictional artists by James Joyce and D H Lawrence in *A Portrait of the Artist as a Young Man* and D H Lawrence's *The Rainbow* respectively It brings together Joyce and Lawrence in their common concern with the modern artist and modern art Taking the two major artist characters of the two works this study establishes that Joyce and Lawrence irrespective of major background educational artistic and philosophical differences converge on the person character artistic vision and working methods of the modern artist This study makes little effort at looking at these fictional artists as alter egos of Joyce and Lawrence it treats them as modern artists in their own right It attempts to give them somewhat a critical right of existence of their own **The Apocalyptic World of D.H. Lawrence** Peter Fjågesund, 1991 Fjagesund argues that traditional apocalypticism or the dialectic between forces of destruction and visions of utopian renewal forms the mental framework of Lawrence's writings from the First World War onwards After an introductory chapter on Lawrence's view of history the author shows how apocalyptic extremes dominate the various periods of his career from the general sense of doom during the war via the utopian quest of the early 1920s to the dual vision of the final years The book sheds new light on crucial passages of the major prose works by relating them more directly than has previously been done to cultural and political movements on the Continent As a result Lawrence emerges as a cosmopolitan writer whose visions and ideas can only be properly understood in a European context *Thomas Hardy and D.H. Lawrence, a Comparison Between Hardy's and Lawrence's Approaches to the Man-woman Relationship* Mamou Othman, 1992 **Jealousy and Envy in D.H. Lawrence's**

Brangwen Novels Carla Mettling Cusic,1986 **D. H. Lawrence** Peter Whelan,1988 Writing the Body in D.H. Lawrence Paul Poplawski,2001-02-28 One of Lawrence s main concerns in his art was to explore and experiment with new ways of writing about the body But with one or two notable exceptions few critics have systematically interrogated the broader ramifications of this concern especially in terms of contemporary theoretical debates about language representation and sexuality This book remedies that situation by considering some of the social cultural and ideological contexts of Lawrence s writings of the body and by engaging closely with his texts from a range of pertinent theoretical positions The essays included in this volume are written by experts from around the world The contributors provide detailed discussions of specific major works by Lawrence and employ theoretical approaches which give special attention to language representation and sexuality including postmodernism Marxism structuralism the sociology of censorship Freudian and Jungian psychoanalysis feminism and gender studies and narrative theory While Lawrence s major novels and short stories provide the main focus for the volume the book also examines his lesser known writings including unfinished story fragments introductions and forewords and literary and journalistic essays *D.H. Lawrence* Peter Balbert,Phillip L. Marcus,1985

D. H. Lawrence: 1885-1919 Edward Nehls,1957 **D.H. Lawrence on Screen** Jane Jaffe Young,Walter Sorell,1998 A book for both specialists and general readers D H Lawrence on Screen demonstrates just how crucial the cinematic translation of a writer s distinctive style is to the excellence of a film adaptation of his or her work **D.H. Lawrence: 1919-1925** Edward Nehls,1957
