D Letzebuenger:

D'Letzebuenger am Spiegel vun hirer Sprooch Jul Christophory, 1978 **Inventing Luxembourg** Pit Péporté, Sonja Kmec, Benoît Majerus, Michel Margue, 2010-02-16 The grand duchy of Luxembourg was created after the Napoleonic Wars but at the time there was no nation that identified with the emergent state This book analyses how politicians scholars and artists have initiated and contributed to nation building processes in Luxembourg since the nineteenth century processes that as this book argues are still ongoing The focus rests on three types of representations of nationhood a shared past a common homeland and a national language History was written so as to justify the country's political independence Territorial borders shifted meaning constantly repositioning the national community The local dialect initially considered German variant was gradually transformed into the national language Luxembourgish **Spaces and Identities in Border Regions** Christian Wille, Rachel Reckinger, Sonja Kmec, Markus Hesse, 2015-11-17 Spatial and identity research operates with differentiations and relations These are particularly useful heuristic tools when examining border regions where social and geopolitical demarcations diverge Applying this approach the authors of this volume investigate spatial and identity constructions in cross border contexts as they appear in everyday institutional and media practices The results are discussed with a keen eye for obliquely aligned spaces and identities and relinked to governmental issues of normalization and subjectivation The studies base upon empirical surveys conducted in Germany France Belgium and Luxembourg

Language and Citizenship Tommaso M. Milani, 2017-06-09 This volume offers fresh cutting edge perspectives on issues of language and citizenship by casting a critical light on a broad spectrum of geo political contexts Flanders Luxembourg Singapore South Africa the UK and discourse data policy documents newspaper articles ethnographic notes and interviews skits bodies in protests The main aims of the book are to investigate institutional discourses about the relationship between nationality and citizenship and relate such discourses to more ethnographically grounded interactions tease out the multiple and often conflicting meanings of citizenship and explore the different linguistic semiotic guises that citizenship might take on in different contexts The book argues that the linguistic discursive study of citizenship should not only include critical investigations of political proposals about language testing but should also encompass the diverse more or less mundane ways in which various social actors enact citizenship with the help of an array of multivocal material and affective semiotic resources Originally published as a special issue of *Journal of Language and Politics* 14 3 2015 **Luxembourg** Jul Christophory, Emile Thoma, 1997 The Grand Duchy of Luxembourg the smallest member of the European Union is a sovereign state tucked away between Belgium France and Germany Formerly a formidable fortress it has over the centuries been successively assailed and occupied by Burgundian Spanish French Austrian and Prussian troops Luxembourg has become one of the thriving financial and telecommunications centres of Western Europe thanks both to its geographical position and its highly qualified multilingual work force *Science & Public Policy* , 2008 **Recueil Des Arrêts Et Décisions** European
