Dad By Choice:

Dad's Journey Jill A. A. Gilson, 2020-10-07 Dad's Journey tells the story of one family who rely on each other to endure a life changing event When Arnie Kustka became a paraplegic from a blood infection his life turned upside down The list of things that he would no longer be able to do grew The challenges that he needed to overcome increased Many emotions were felt as Arnie's health became the family roller coaster but the family's determination to give both Arnie and his wife Shirley the best life they could possibly have remained constant The four children did their parts in caring for their parents Arnie experienced the end of his life from the height of a wheelchair Even though his legs would no longer work his sense of humor and love for a good joke were never lost His journey was not an easy one but with Shirley by his side they learned to accept his condition The family's faith and love for each other grew stronger even after Arnie's passing They realized that God had a plan for Arnie Read about the man whose family learned how to love in the midst of a tragedy *Choices* Milton

Doyle, 2009-07 Milton Doyle's *Choices* is the story of Karen and John two young lovers who begin a life together unaware of the future consequences from choices that will be made Over time their love is tested as John decides upon a career that will separate him from his family for many years Doyle's compelling novel proves that human beings though fallible are capable of honoring the heart even after painful mistakes have been made **Soaring Above the Ashes on the Wings of**

Forgiveness Kitty Chappell, 2017-09-29 I finally realized that no matter how much I wanted to I could not protect my family Though I daydreamed of ways for us to escape I knew it was impossible Dad had warned us too many times to not go mouthing off to anyone about things that are none of their business or I'll put you all out of your misery The oldest of three Kitty Chappell did her best to shield her brother and sister from their father's abuse but little could stand in the way of his beatings and vicious remarks None of them escaped his brutality As a well respected family man in their Texas community in the 1950s her father enjoyed a sure confidence in his control over his family His assurance proved correct when he attacked her mother and turned friends against her aiming shocking accusations at his wife and daughter Everyone thought her father was wonderful including the jury that gave him the minimum sentence for trying to kill Kitty's mother as she lay sleeping Only three and a half years for premeditated attempted murder It just wasn't fair Kitty loved God but disagreed with Him on the subject of forgiveness Many people were in her corner for who hasn't debated this issue with God She didn't want to forgive she wanted revenge But as Kitty developed her relationship with Christ she realized she needed to forgive the man who had caused her so much pain *Soaring Above the Ashes on the Wings of Forgiveness* will keep you riveted to your seat with its twists and turns You will be enraged and terrified with the author through her difficult journey Ultimately you will rejoice with her as she walks through the door of forgiveness and breathes in the fresh air of freedom *Soaring Above the Ashes on Wings of Forgiveness* reveals Kitty's remarkable story of courage and faith and how she developed the attitude that enabled her to overcome rather than merely survive This touching story will inspire you to overcome your difficulties and

experience your own freedom and joy as you learn to forgive when everything in you screams for revenge **Pure Fatherhood and the Hollywood Family Film** Denise McNulty Norton, 2021-07-20 This book maps father failure and redemption through three decades of Hollywood family films revealing how libertarian notions that align agency with autonomy lead to new conflicts for the contemporary father The films find resolution to these conflicts through a re-gendering of parenting as relationship In their creation of a pure fatherhood that is valorised as authentic for its lack of parental responsibilities the films serve to challenge the perception that fathering enacted outside the nuclear family structure is fragile McNulty Norton finds in the films a new essentialism that secures the pure relationship to the biological father reinforcing his position in the face of changing family forms Amazing Dads Fatherhood Curriculum Dan Griffin, 2024-04-30 The only trauma informed curriculum designed to turn men into great dads Amazing Dads Fatherhood Curriculum teaches fathers with kids of all ages to become exceptional parents These detailed lessons meet dads where they are starting from the common tendencies of male socialization to help explain key concepts of healthy fathering Through a trauma informed approach this curriculum creates safety in the group setting while delving into critical topics that fathers simply do not tend to talk about with people in their lives Unlike other fatherhood curricula Amazing Dads addresses a breadth of topics empowering men to discuss issues like family of origin sexuality how punishment can turn into abuse self care and how toxic messages in the culture can hinder parent child relationships Each session incorporates grounding and breathing exercises in addition to activities exercises and experiential opportunities that allow participants to connect with the material on a meaningful level By the end of this course fathers will have gained the increased self awareness needed to enhance their relationships with their children and other family members Lead fathers through a curriculum of targeted lessons focused on how male socialization affects their parenting Guide participants through exercises for developing relational communication and conflict resolution skills Connect with dads on a meaningful level by creating a safe space for discussions of trauma and other difficult subjects Explain important parenting concepts using examples hands on activities and more This curriculum is excellent for use in parenting groups behavioral health treatment programs addiction treatment programs and other community based programs serving fathers Dads of all backgrounds with kids of all ages will benefit from the wisdom in Amazing Dads Fatherhood Curriculum *Nuthouse Love* Kenny Attaway, 2009-12 *Nuthouse Love* the one and only spin off of Kenny Attaway's novel *Slum Beautiful* is a critical up front passionate oozing documented real life experiences of Rasheeda Sade Griffin and her three best friends Mesh Bay and Nika plight to find true and meaningful love But in their plight of finding true love the young girls then woman engages in physical emotional spiritual financial and social abuse shared by themselves other woman and the men they become in unisome with Unluckily throughout the sails in the winds of love self worth they discover not only the harsh reality of hurt pain and agonies of domestic abuse but they slip and fall in the egg yolk of their imperfections and insecurities Regardless of the unforgettable mishaps of her close friends others
