Dad Mom And The Church:

Dad, Mom and the Church Charles Paul Conn,1989 **Made in His Image** Diane Wiedemann,2025-09-24 My first therapist told me I needed a witness and here on this date 25 September 2022 the Lord spoke unto me that He was in fact the first witness to my story and He then witnessed my story back unto me He then did compel me to write first for the healing of myself and then for the healing of others so they in turn can witness to others the power and healing contained within God therapy that was first given unto me and is now available for all who have need which means you for that s how much He loves all of us to His glory **Dad, Mom and the Church** Paul Conn,1989-10-01 *The Sergeant's Daughter* Teresa Shelton,2025-07-30 As a little girl Teresa s father dotes on her and little sister Karen while mercilessly mocking her older sister Debbie Teresa thinks its Debbie s fault until she gets a little older and he begins tormenting her too Soon enough his verbal abuse turns physical Her sergeant father brings his military life home meeting each of his daughters infractions with extreme punishment for them all Meanwhile their mother watches silently never defending her daughters and never subjected to physical abuse herself Terrified to be at home and terrified to tell anyone Teresa seeks solace in books music and the family she can find outside of her home a best friend a kind neighbor and a doting grandfather At first cowed by her father s abuse and desperate to believe that maybe one day things will change Teresa ultimately grows into a young woman who understands that if she wants a better life she ll have to build it for herself so she does **Conflict! The Inner Struggle of Parentin ,** **Stairway to Success** Evelyn "B",2019-02-06 This book Stairway to Success consists of inspiring thoughts to motivate and encourage you daily It consists of poems for many occasions when you need something to say and can t find the right words or if you just need those special words of comfort to overcome the obstacles in life The poems give you strength and faith through those rough moments in life The fiction short stories will peak your curiosity but always end with a positive life message for all ages *Saving the Dream* Vanessa D. Gilmore,2012-05-21 Saving the dream is a fiction novel which tells the story of a young woman and her decision to have her baby or give it up for adoption The book alternately explores the life that her son lived with his birth mother and the life he might have lived with his adoptive mother Ultimately it asks readers to consider how each mothers dream impacts her life the life of her son and the lives of other people he meets on his life journey **Box Office** ,1947 **Lessons from the Porch** Ed Poole,2003 Lessons from the Porch is Ed Poole s thoughtful memoir of life s lessons which he shares with endearing charm and good natured heart The book is a thoughtful journey and an engaging reminiscence Lessons from the Porch will allow the reader to consider questions such as Have you wondered how you arrived at your current stop along your journey Have you ever asked the question What am I supposed to be learning from this experience How can I leave this world a bit better than it was when I found it Although written about his own experience battling depression the book is meant for anyone embarking on a journey to know themselves and cultivate new friendships We all have places from which we learn life s lessons For some it may be sitting

beside a meandering stream For this author the place to which he returned to understand his journey was the porch that surrounded his house as he grew up Metaphorically Poole s porch represents how he either has or has not accepted changes in his life The dilemma about how and when to leave his porch goes back to his early boyhood when his mom would always say Eddie don t get too close to the edge of the porch because you might fall off **A Less Than Perfect Beginning** Diane L. Huffman,2014-03-14 During Beth Stedmans formative years in the late 1940s and early 1950s she wonders if the families depicted on the weekly television shows Leave It to Beaver Father Knows Best The Donna Reed Show existed in real life The fathers in the sitcoms had good paying jobs The mothers stayed home and vacuumed in dresses and high heels The brothers and sisters were respectful and obedient They lived in perfect harmony in perfect houses in perfect suburbs Once she was old enough to visit friends she realized that other families do in fact resemble those blissful television portrayals But hers certainly doesnt Growing up in her deranged East Coast household Beth feels like an outsider but a grateful outsider because her family is riddled with alcoholism poverty and an abundance of insanity Beth has her defenses though her faith a positive attitude and a penchant for putting a comedic spin on life She also harbors a secret escape plan and eventually the knowledge as to why she has always been the black sheep of the family Beth survives a deadbeat dad a defeated mom an overindulged sister and a villainous brother to demonstrate that the School of Hard Knocks doesnt have to ruin you for life If fact it can almost guarantee success **Heretic** Jeanna Kadlec,2022-10-25 A memoir of leaving the evangelical church and the search for radical new ways to build community Jeanna Kadlec knew what it meant to be faithful in her marriage to a pastor s son in the comfortable life ahead of her in her God but there was no denying the truth that lived under that conviction she was queer and if she wanted to survive she would need to leave behind the church and every foundational building block she knew Heretic is a memoir of rebirth Within Kadlec reckons with religious trauma and Midwestern values as a means of unveiling how evangelicalism directly impacts every American religious or not and has been a major force in driving our democracy towards fascism From the story of Lilith to celebrity purity rings Kadlec interrogates how her indoctrination and years of piety intersects with her Midwest working class upbringing As she navigated graduate school a new home on the East Coast and a new marriage another insidious truth began to reveal itself that conservative Christianity has both built and undermined our political power structures poisoned our pop culture and infected how we interact with one another in ways that the secular population couldn t see Weaving the personal with powerful critique Heretic explores how we can radically abandon these painful systems by taking a sledgehammer to the comfortable Whether searching for community in the face of millennial loneliness or wanting to reclaim a secular form of fellowship in everyday life Kadlec envisions the brilliant possibilities that come with not only daring to want a different way but actually striking out and claiming it for ourselves People v.
