The Commander Timothy M Nugent,2025-06-22 The final chapter of this story shows the commander falling in love with a friend and sailing his ship into the sunrise with his new love hugging him at the wheel I like to write and do so every day I awake at three or four in the morning and begin to write as the sun rises in the east over the Costa Rican mountains I live in San Luis Costa Rica Canton Tilar n in the province of Guanacaste This morning the skies are cloudy after a rainstorm and the sun is rising Normally the skies turn a beautiful shade of orange mixed into the clouds of gray black and skies of bright blue I love the sunrises and sunsets of Lake Arenal The sunsets of the western skies fall over the western mountains and light up the skies The sun reflects off the lake and into the eastern skies It is a beautiful phenomenon as a portion of the lake is bright orange and the blue is diminishing because of the twilight It is easy to write in this quiet environment The later in the day I write the more difficult it becomes and I usually stop around nine because construction and my girlfriend seem to need more attention Such a tough life living in paradise and having someone who loves you My next book I am writing is a story of a young boy who gets lost in the world of perversions and hate It is a difficult book because of the negative aspects of child molestation that grips a baby at a young age and turns him into a monstrous killer who seeks a lifetime of revenge The Commander is a young hero from the early age of sixteen to his older age as he leaves the Navy I hope you enjoy this book

upon the city of Sifton and its residents Hayward Barry and his best friends Joe Davey and Pete are typical fifth and sixth grade boys hanging out after school and getting into trouble However powerful urges and deep feelings have begun to grow in the boys as they approach young adulthood for Hayward this is his affection for Beth a girl in his class who he fears will be swept away by another boy named Daniel For Pete it is a volatile temper and the desire to always get his way When Davey is given something that Pete wants it sets off a disastrous chain of events that strips them all of their childhood drowning their innocence to the sound of a rushing brook a sound none of them will forget As misery and happenstance would have it the day tragedy strikes Hayward and his friends a murderous monster awakes from hibernation in a town miles away Getting into a stolen vehicle with bloody clothes and an unspeakable lust for violence the nameless man drives towards Sifton wreaking destruction and horror along the way While his story won't collide with the boys' lives until seventeen years later when they have all grown up this man will reopen old wounds and awaken the trauma that has never healed Hayward now a failed artist and reluctant police officer is left to pick up the pieces of a shattered community and solve the mystery of the event that has come to dominate his life
