**Divorcing . . . But Always Your Mum and Dad** Peta Michael-Gomory, 2012-07-18 This full coloured illustrated story book tells of the roller coaster emotional journeys of Royce aged ten and his nine year old sister Deloyce whose parents announce plans to separate and eventually divorce The story addresses a number of issues in an amusing age appropriate reassuring style The main focus is on the reactions of the young people to their parents decision and the period of time leading up to the day when by parental agreement Dad leaves the family home and moves into an apartment The children call this day of departure M day Move day Readers are assisted by a friendly guide called Cody who invents a clever word and provides information within each of the chapters plus a mind tingling brainteaser at the end of the story Deloyce and Royce fear M day and readers accompany them as they try to cope with unexpected thoughts feelings and experiences plus some weird but funny adventures *A Poetics of Forgiveness* J. Scott, 2010-03-29 Despite recent interest in forgiveness and reconciliation relatively little research has been conducted on forgiveness in literary studies *A Poetics of Forgiveness* explores the profound links between creativity and forgiveness and argues that creative production and interpretation can play a vital role in practices of forgiveness Developing a model of poetic forgiveness through the work of Julia Kristeva Jacques Derrida and Kelly Oliver *A Poetics of Forgiveness* asks how forgiveness is expressed in literature and other art forms and what creative works can bring to secular debates on forgiveness and conflict resolution Jill Scott explores these questions in a wide variety of historical and cultural contexts from Homer's Iliad to 9 11 novels from postwar Germany to post Apartheid South Africa in canonical texts and in diverse media including film photography and testimony *I Will Take You to Broceliande* Elizabeth Muhlhaus, 2019-03-27 It is a mystery story and a detective story about mankind's primordial quest for peace on earth which first requires that we understand how peace gets destroyed And like the thrillers on TV that reveal clues slowly you will see a crescendo of mysteries that I knew were clues if I could just figure them out Those tough experiences were simply what I had to go through to develop the sensitivity to subliminal signals in nature that I never would have been able to pick up if my life had only been happy and easy Yet the story is peppered with exhilarating moments of
