Smith, 2025-10-04 *Memories of the Way It Was* is a random collection of my thoughts and memories of my life As an elderly adult I have time to sit for hours and reminisce and remember moments from my past I have time to analyze the past moments of my life and how these past moments have helped shape me into the person that I am In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family's history according to how it was told to me and from my personal observations and experiences I was there in the flesh to live these moments and I am left with precious memories All my life I have had vivid dreams that seemed real Strange and unusual things happen in my dreams Strange and unusual things happen in my life I was raised by an extremely superstitious mother who had prophetic dreams My head and heart are filled with memories of so many things in life that my parents told me I have so many memories of my siblings and the things I learned from them The days that I lived are gone forever The way things were will never be that way again These days will only be remembered by those who lived them or from the pages of the books written about those moments from the past Those days are gone forever Soon these memories will die with those who lived them That is why I have written twelve books full of the way life was in the 1940s up until the present day My mother used to tell me and my siblings stories of her past I wanted my children and grandchildren to know her stories as well as my own stories The next generation will have stories of their own to tell but life as my parents lived it and as I lived it will never be again When I explore my memories of the way things were I believe we were once better people than we are today As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God's beautiful world Ultimately we are all God's children and brothers and sisters in Christ We are all connected through God My book is written in no particular order Each chapter is a stand alone story that can be read

randomly just as it is written Each chapter is a piece of my life and heart I pray that my stories and ramblings will stoke memories and bring pleasure to anyone who reads them I am thankful for the people places and the events that make up the days of my life I am incredibly grateful for the life that God has allowed me to live **Faith's Genesis** Susan Withrow,2009-11-20 Spiritual gifts are given to all of us It is through these gifts our lives take flight In a relationship with Princess Juliana Radcliffe of Liechtenstein Jonathan Baker became a father He never thought her a princess Or that loving her would be dangerous Until a political threat arose Forcing their flight to protect their young family Years have passed and now their children Princess Apparent Catherine and Prince Apparent Trevor are poised for their irrevocable futures The spiritual gifts of others guide their journey For Catherine a chance encounter with a high school friend leads to motherhood s door The spiritual connection to her and her brother s past finds its advent with this new life Her journey finds its roots in the spiritual gifts of others gaining momentum through unsurpassable love deep secrets prophecies and shocking revelations Can she pull the pieces together to help her family return to normalcy and their thrones **Tender Years** Helen Kerr,2009-12-14 They came to Canada as newlyweds in 1835 to carve a life out of a rugged wilderness Ester McWaters Kelly gave birth to 10 children while living in their log home in Ontario s Brooke Township her husband John away working in the Long Point foundry The homesteaders were the beginning of a long line of hardy Canadian stock visited by writer Helen Kerr in her new book Tender Years Kerr s 229 page book chronicles her ancestors passage through young Canada as well as her own family struggles homesteading in Saskatchewan before drought and the depression drove them out Tender Years with original family photographs and letters dating to 1882 also chronicles Kerr s difficult training years as a nurse in a mental hospital prior to the discovery of mind altering psychotropic drugs That training was put to the test during the exciting years she served as a nurse in the Canadian Army in France and England in World War II including her whirlwind romance with a British officer **Am I Here Yet?** Judy DuPont-Gignac,2019-01-25 Am I Here Yet Is the author s personal story from childhood into her post retirement years or as she calls them her realignment years It is the tale of a shy teenager growing into a confident woman who believes she can do and have it all husband children community and business leader but finds in the end that the all really isn t what she longs for It is a story all too familiar to type A women who struggle with the push pull of their professional and domestic lives Her journey covers marriage parenting divorce remarriage and a spiritual path that leaves behind organized church life and embarks on a quest of searching that continues today Many will find a connection with the pain and joy of the author s teenage years only to be re experienced through the lives of her children as they work their way through the maze of adolescence to adulthood Others may recognize themselves as the lone woman on the boy s club boards and committees and the intense need to be the best to know the most and to always land on top It is the story of many of us **Mated** Wallace Irwin,1926 **California. L. Smith, 2025-03-17 My Second Childhood is a collection of my random thoughts and memories I have lived through my first childhood and many years of being an adult Everything has seasons in the sun including us The spring summer and fall of my life have passed too quickly I am now living in the winter of my life or as some may call it my second childhood I consider it a blessing to have lived long enough to reach old age It is a gift that everyone does not receive I have released myself from the binding ties of doing what others think I should do I am no longer obligated to employers nor bonded by schedules I have turned the child in me loose to enjoy the last days of my life I am grateful that God has allowed me and my husband of nearly sixty years to enjoy our second childhood together I have time to sit for hours and reminisce and remember moments from my past I have time to analyze stories that were told to me by my ancestors about my family s history I wonder how much of the stories are true and complete Have there been parts of the stories omitted Relatives who have been disowned may not have been included in the accounts of the past We all have secrets and stories that we will never tell What secrets have not been told in these stories Are the stories altered or enhanced to make the past more glorified or sensational There are many questions that I wish I had asked my relatives while they were still alive The answers to these questions will probably go unanswered Over the years I have heard varying accounts of the same stories of our family s history from my younger ancestors Their stories are not congruent with the family history told to me from the lips of my ancestors Their stories do not track with the things that I myself experienced and observed in the presence of my long deceased relatives I was there in the flesh with some of these relatives I can still close my eyes and see them in my mind s eyes I can still hear their voices in my mind s ears I remember these relatives and what they were like In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God s beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all connected through God Ebb and Flow Or He Did His Best.
