SPRING TO SUMMER EDITION April through June Beyond the day to day life of a Christian is a hunger to truly connect with Christ and find what life and faith mean personally It seems that on Sunday we might tell ourselves we will dig deeper into prayer and the scriptures We will seek God for real But Monday has other plans The hassles and distractions and general tasks of daily life can turn the best Christian all around and before we know it we are just sliding under the gate into Sunday and hoping God shows up F R Giles knows this all too well For years the habit of a spiritual life was an uphill climb But now he has broken through to the place where God has wanted him all along Sometimes the simple habit of a daily devotional can bring the connection to God we need In this case however the author s heart was for a deeper spiritual growth for himself and others That is why the daily devotionals of this book include the very best of the author s experiences with God through life Bible study and connection with the Holy Spirit There are shards of God s light throughout the world They are hidden in the Holy Bible in long forgotten sermons in our day to day experiences in nature in old books and movies in circles of friends in places we don t even know exist and on every level and in every season of our life F R Giles has compiled the very best shards of God s light from his own life to share in this devotional for you Shards of Light is a daily devotional for the entire year But there are four editions available by seasons as well as the complete year edition The four seasonal editions are Winter to Spring Spring to Summer Summer to Fall and Fall to Winter Each contain three months of daily devotionals The complete edition contains all four and is the same content in one book Originally this series was made for the year 2025 and aligns with that calendar but can be used for any year The daily entries derive from the author s personal times of prayer and study and include his own experiences with God studies and visions and also included are excerpts from some of his favorite hymns sermons spiritual works and stories with commentary He has also included a prayer with every devotional for your use

The Winter to Spring Edition starts with January through March Spring to Summer includes April through June Summer to Fall includes July through September Fall to Winter includes October through December This is from the January 1st entry Today is the impossible day you fear You didn't want to get up You didn't want to face the mirror You couldn't imagine eating breakfast let alone getting ready And yet here you are It seems like a crossroads moment Something will be decided today One way or another Tomorrow will not be the same The stillness of anticipation the anxiety of change the trepidation of the next step holding you against the wall pulling you toward the edge and every foothold is slipping with nothing to hang onto You know it looms on the horizon and you know how much it means But nobody else does There might be that one or those few who say they know They don't They can't Not really This moment was always about you and how much you've been through Nobody understands everything that's happened Sometimes you have a difficult time putting it together But that is where God wants us We have gone a little too far relying on our own strength So today take time to lean back into God Let God be your courage and your strength today Trust Him to hear you and trust that God does understand F R Giles invites you to find your own connection with a real and loving God by taking a journey of devotion and prayer daily that will open your heart to know God more Because every day presents an opportunity to gather Shards of Light **Shards of Light** F R Giles, 2024-12-08 WINTER TO SPRING EDITION January through March Beyond the day to day life of a Christian is a hunger to truly connect with Christ and find what life and faith mean personally It seems that on Sunday we might tell ourselves we will dig deeper into prayer and the scriptures We will seek God for real But Monday has other plans The hassles and distractions and general tasks of daily life can turn the best Christian all around and before we know it we are just sliding under the gate into Sunday and hoping God shows up F R Giles knows this all too well For years the habit of a spiritual life was an uphill climb But now he has broken through to the place where God has wanted him all along Sometimes the simple habit of a daily devotional can bring the connection to God we need In this case however the author's heart was for a deeper spiritual growth for himself and others That is why the daily devotionals of this book include the very best of the author's experiences with God through life Bible study and connection with the Holy Spirit There are shards of God's light throughout the world They are hidden in the Holy Bible in long forgotten sermons in our day to day experiences in nature in old books and movies in circles of friends in places we don't even know exist and on every level and in every season of our life F R Giles has compiled the very best shards of God's light from his own life to share in this devotional for you Shards of Light is a daily devotional for the entire year But there are four editions available by seasons as well as the complete year edition The four seasonal editions are Winter to Spring Spring to Summer Summer to Fall and Fall to Winter Each contain three months of daily devotionals The complete edition contains all four and is the same content in one book Originally this series was made for the year 2025 and aligns with that calendar but can be used for any year The daily entries derive from the author's personal times of prayer and study and include his own experiences with God studies and visions and also included are

**Divine Appointments** Tracy Krauss, 2021-02-07 In the Bible God gave specific instructions about setting apart certain days weeks and special celebrations His appointed times This daily devotional walks readers through the spring season of the year by following the Hebrew months and is the first volume in this series Each day contains a short devotional scripture and prayer While many Jews continue to observe this schedule of events many Christians feel that it is not relevant or that the New Testament did away with these traditions Scripture does not back this up In fact both Jesus and the early church followed these appointed times One might argue that they did so because they were Jewish but Christians should be reminded that they have been grafted in to that very tree Observing God's calendar is not the same as

taking up a burden of tradition and is not necessary for salvation Instead it is a way to celebrate and enhance our heritage as children of God

**The Urban Pulpit** Matthew Bowman, 2014-02-04 Matthew Bowman explores the world of a neglected group of American Christians the self identified liberal evangelicals who began in late nineteenth century New York to reconcile traditional evangelical spirituality with progressive views on social activism and theological questions These evangelicals emphasized the importance of supernatural conversion experience but also argued that scientific advances new movements in art and the decline in poverty created by a new industrial economy could facilitate encounters with Christ The Urban Pulpit chronicles the struggle of liberal evangelicals against conservative Protestants who questioned their theological sincerity and against secular reformers who grew increasingly devoted to the cause of cultural pluralism and increasingly suspicious of evangelicals over the course of the twentieth century Liberal evangelicals walked a difficult path facing increasing polarization in twentieth century American public life both conservative evangelicals and secular reformers insisted that religion and science were necessarily at odds and that evangelical Christianity was incompatible with cultural diversity Liberal evangelicals rejected these simple dichotomies but nonetheless found it increasingly difficult to defend their middle way Drawing on history anthropology and religious studies Bowman paints a complex portrait of these understudied Christians at work at worship and engaged in advocacy in the public square
