D.H. Lawrence on Education David Herbert Lawrence,1973 *In Defence of Liberal Education* Anthony O'Hear,2023-10-31 What is a traditional liberal education and what are the arguments for it in the twenty first century This collection of essays by Anthony O Hear sets out an alternative educational philosophy to the prevailing progressivist thinking on these issues which tends to be either utilitarian or child centred or both and often politically motivated **Western Civilization and the Academy** Bradley C. S. Watson,2015-09-03 This volume brings together leading thinkers who offer reflections on the place of Western civilization in the academy at a time when there is indifference or even antipathy toward the study of the West at most institutions of higher learning Alternative narratives including multiculturalism diversity and sustainability have come to the fore in the stead of Western civilization The present volume is designed to explore the roots extent and long term consequences of this educational climate How and why did undergraduate education turn its back on what was once an important component of its mission To what extent has such change affected the experience of undergraduates and the ability of colleges to educate citizens of a constitutional republic What are the likely individual and social outcomes of such a shift in educational priorities The volume s theme is and will continue to be the subject of national scholarly and media attention *The Consciousness of D.H. Lawrence* Daniel J. Schneider,1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life Library of Congress Catalogs Library of Congress,1976
