Dj Opperman N Biografie:

D.J. Opperman A P. Grove,1974 **New Dictionary of South African Biography** E. J. Verwey,1995 This series of publications aims to fill the gaps in our history highlighting in particular the significant roles played by black leaders from all walks of life **A Necklace of Springbok Ears** Helize van Vuuren,2016-05-30 Where once there were twenty nine San Bushman languages and or dialects in Southern Africa few now remain The loss of these languages results in the loss of their stored oral culture and indigenous knowledge All that remains are archaeological evidence and rock art or slim archives recorded by individuals such as Wilhelm Bleek Lucy Lloyd and GR von Wielligh who heard the encroaching language and cultural death knell before it was too late The contents of this study hang together as in a necklace of springbok ears The last dancing rattle and necklace has long since crumbled to dust Yet the binding string serves as a useful metaphor for the literary texts discussed here and their relation to the culture of the First People The cosmology embedded in the Xam myths as recorded by Von Wielligh between the Cederberg and the Gariiep or Orange River seems to share much with contemporary consciousness in order to survive humankind needs to recognise the interdependence of all life *Leadership* ,1987

Kaapse bibliotekaris ,2018 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Kwartaalblad Van Die Suid-Afrikaanse Biblioteek** South African Library,1986 *Anton Rupert* Ebbe Dommissie,W. Opperman** John Christoffel Kannemeyer,1986 **Alternation** ,1998

Literary Translation, Reception, and Transfer Norbert Bachleitner,2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena they are based on similarities that are related to a form of travelling and imitation or adaptation of entire texts genres forms or contents Transfer comprises all sorts of travelling with translation as a major instrument of transferring literature across linguistic and cultural barriers Transfer aims at the process of communication starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture Reception lays its focus on the receiving culture especially on criticism reading and interpretation Translation therefore forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers Moreover translations are the prime instrument in the distribution of literature across linguistic and cultural borders thus they pave the way for gaining prestige in the world of literature The thirty eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna They are ample proof that the field remains at the center of interest in Comparative Literature *New Dictionary of South African Biography* E. J. Verwey,Nelly E.
