**Business Research for Decision Making with InfoTrac** Duane L. Davis, 1998-08 This text covers the entire process of business and marketing research It contains up to date references to on line and electronic sources The author emphasizes modern software use and decision making Selling James Bond Tanya Nitins, 2011-08-08 The character of James Bond for many people is intrinsically linked in their minds with particular brands Aston Martin Bollinger Omega Smirnoff vodka and so on This direct association between character and brand highlights the intrinsic role of product placement in the film industry and in the James Bond films in particular Selling James Bond Product Placement in the James Bond Films provides a comprehensive overview of the history of product placement in the James Bond series charting the progression of the practice and drawing direct correlations to significant cultural and historical events that impacted upon the number and types of products incorporated into the series While primarily a financial arrangement it is also important that the practice of product placement be examined and understood in relation to these cultural contexts an area of research so far largely ignored by academic study Through extensive content analysis of the official James Bond film series as well as utilising directors commentary and industry reports this book illustrates the strong impact specific cultural and historical events have had on the practice of product placement in the series In doing so it provides an exciting and in depth behind the scenes look at the James Bond film series and its complicated and sometimes contentious history of product placement In the process it charts the gradual emergence of product placement from the more traditional background shot to becoming so embedded in the actual film narrative that they have become simply yet another method for filmmakers to produce cultural meaning

**Industry** Ben Beiske, 2002-05-29 Inhaltsangabe Abstract This report will demonstrate the importance of Loyalty Management in the competitive environment of the airline industry and will show that a successful approach to Loyalty

Management consists of three different interlinked aspects These three pillars are Customer Service Frequent Flyer Programs and Complaint Management their interdependence will be analysed in depth with special attention given to the perceived importance of Frequent Flyer Programs Findings from a detailed literature review and a survey show that customers do indeed perceive these issues as vital with regards to their loyalty towards a particular airline It was found that Customer Service can be regarded as the foundation for Loyalty Management it can help an airline to gain competitive advantage by setting it apart from its competitors Frequent Flyer Programs if implemented and run properly can provide the customer with added value As such they compliment Customer Service and can help to increase overall loyalty Additionally Complaint Management was found to be gaining importance among airlines The number of complaints was shown to be rising gradually stressing the growing significance of efficient Complaint Management and its strong after effect on customer loyalty
