Over There Mark Ravenhill,2009-03-16 A programme text edition published to coincide with the world premiere at the Royal Court Theatre London on 25 February 2009 I found you You re here And I was over there But now I m over here I m here You re my brother I love you When Franz s mother escaped to the West with one of her identical twin boys she left the other behind Now 25 years later Karl crosses the border in search of his other half As history takes an unexpected turn the brothers must struggle to reconnect Mark Ravenhill s visceral new play examines the hungers released when two countries separated by a common language meet again Buzz Jeffrey Spivak,2011 The Great Depression was defined by poverty and despair but visionary American filmmaker Busby Berkeley 1895 1976 managed to divert the public s attention away from the economic crash with some of the most iconic movies of all time Known for his kaleidoscopic dance numbers featuring multitudes of performers in extravagant costumes his musicals provided a brief respite for an audience whose reality was hard and bitter Buzz The Life and Art of Busby Berkeley is a revealing study of the director drawing from interviews with his colleagues newspaper and legal records and Berkeley s own unpublished memoirs to uncover the life of a Hollywood legend renowned for his talent and creativity Jeffrey Spivak examines how Berkeley s career evolved from creating musical numbers for other directors in films such as 42nd Street 1933 and Gold Diggers of 1933 1933 to directing his own pictures such as Strike up the Band 1940 and The Gang s All Here 1943 Though Berkeley claimed he was no choreographer his movies revitalized the public s waning interest in musical pictures While other popular filmmakers advertised their works specifically as nonmusical Berkeley embraced his niche eventually becoming the premier dance director of his time However the happy face Berkeley presented publicly did not necessarily reflect his life Offstage and away from the set the director met with scandal and his fondness for liquor and women was well known In September 1935 he was involved in a car accident that left

three people dead and four others severely injured Accused of driving under the influence he was put on trial for second degree murder The accident significantly changed the nature of his stardom **The Playbill** ,1981-11 **Books in Print Supplement** ,1984 **Assembly** West Point Association of Graduates (Organization).,1976
