Arturo Ariel, 2018-09-12 God blesses each of us with gifts and opportunities and he encourages us to use these blessings for the glory of his kingdom He has written out our stories before we were even born and although what we want isn't always the same as what God wants for us the stories of our lives are filled with opportunities to serve God and be the person he wants us to be In A Play on Sundays author storyteller and playwright C Arturo Ariel shares three lighthearted dramatic plays that are centered on faith in God and Jesus Christ Inspired by his time as a Sunday school teacher these faith based plays are fun to read and act out for children parents and adults of all ages And while each play is focused on unique topics like inspiration family and salvation from sin all three come together to weave an engaging full story of faith and trust in God God is always at the center of our lives even when we aren't sure God always blesses us with talents and opportunities even when we don't know our purpose But with faith we can find God working through us and discover our purpose and then we can act out the story of our lives serving God and bringing honor to his name **Children's Books in Print, 2007** ,2006 The Problem You Have Robert Garner McBrearty, 2025-03-18 The Sisyphean characters in The Problem You Have may not be pushing a giant rock up a hill but they are unlikely to ever get where they are going Yet despite knowing that they push on and work with graceful resignation In McBrearty's newest collection a diverse group of characters encounter turning points A minor criminal seeking warmth on a frigid night climbs through a farmhouse window to discover more than he ever expected A dying soldier recalls the man he left behind In one horrible afternoon a college professor realizes the only sanctuary is love An over the hill pitcher refuses to get off the mound A young couple meets the couple they never want to become Some of the stories hold dark themes yet McBrearty masterfully infuses the work with humor and compassion rendering the characters within them relatable Even with themes of loss or what might have been the collection sings notes of what might yet be for both the characters and the reader *A Serpent's Tooth* Matty Dalrymple, 2022-04-22 Brilliant satisfying suspenseful and
