Cutting Loose A Civilized Guide For Getting Out Of The System:

Cutting Loose; a Civilized Guide for Getting Out of the System Dorothy G. Kalins, 1973 **Cotton Patch Parables of Liberation** Clarence Jordan, 2009-04-01 When Jesus delivered his parables he lit a stick of dynamite covered it with a story about everyday life and then left it with his audience By the time his hearers fully unwrapped the parable Jesus and his disciples were long gone Clarence Jordan essentially retells these powerful parables in the language of the South in order to place modern readers in that same first century situation Properly understood these Cotton Patch stories can liberate us into the kingdom of God from the cultural prisons of religion wealth and prejudice After Jordan's death in 1969 Bill Lane Doulos took up the task to combine these Cotton Patch Version parables with appropriate excerpts from Jordan's sermons and with his own commentary which does well to pull everything together In the end Doulos and Jordan call readers into true discipleship challenging them to explore the demands of kingdom life on a whole new level *Housing and Planning References*, 1973 *The Portable Coach* Lorraine Enos, 2002-05-03 Each year thousands of Americans pay personal coaches up to 200 00 an hour for advice on how to make career and personal changes in their lives Coaches guided their clients through transformation steps including individual assessment and goal setting Millions more could benefit from the services of a personal coach but cannot afford their hefty fees *The Portable Coach A Do It Yourself Approach to Personal Coaching* fills this void and contains realistic advice on how readers can bring lasting changes to their lives Instead of providing easy answers *The Portable Coach* encourages readers to ask tough questions and look within themselves for answers This book is a must read for anyone who desires to transform their life Lorraine lives in the Chicago area with her husband and two kids She **Lotus and the Pool** Hilda Lee Dail, 1989-06-03 This book offers a totally new holistic approach to career development involving the wisdom of the unconscious expressed in dreams symbols personal myths intuitions and memories as well as the analytical skills needed to set goals and plan strategies It is designed for anyone who has to make important life decisions whether in choosing a field changing careers trying to get more satisfaction out of work planning for retirement or reentering the job market Based on the principles of creativity as revealed in the world's creation myths and in the techniques of artists poets and inventors the book presents a ten step process of creative career development Case histories from the author's counseling practice demonstrate the process at work and a workbook section gives exercises to help readers Examine past successes for clues to aptitude and values Analyze the success factors that characterize their achievements Use imaging and other creativity techniques to discover their own inner symbols and personal myths Develop an action plan for finding or creating their ideal career Library of Congress Catalogs Library of Congress, 1976 **Books in Print**, 1991 Quest for Walden Loren C. Owings, 1997 Ever since Henry David Thoreau penned his masterpiece *Walden* a chronicle of his two year sojourn in the woods of Concord Massachusetts Americans have yearned for a return to pastoral life to a place where the simplicities and beauty of nature dictate a quality of life not found in modern urban America The

metaphor of Walden inspired many to seek out and write about country life and the back to the land movement in America This is the first book length study of that interesting genre the country book written primarily for urban dwellers It gives detailed content analyses of both country life essays and guides to country living from 1863 through 1995 American Book Publishing Record Cumulative, 1950-1977: Title index R.R.
