Cyprus Conspiracy:

The Cyprus Conspiracy Brendan O'Malley, Ian Craig, 2001-06-25 In 1974 the Greek colonels ousted the Greek Cypriot leader of Cyprus Archbishop Makarios and Turkey retaliated by invading and seizing a third of the island Cyprus remains split in two like Berlin before the wall came down bristling with troops and spying bases and permanently policed by the United Nations Henry Kissinger claimed he could do nothing to stop the coup because of the Watergate crisis but this book presents evidence to support the view that it was no failure of American foreign policy but the realization of a long term plot The authors describe the strategic reasons for Washington's need to divide the island Their account encompasses an international cast of characters that includes Eden Eisenhower Nixon Kissinger Wilson Callaghan Grivas and the leaders of the two halves of the divided island Clerides and Denktas *Kissinger and the Invasion of Cyprus* William Mallinson, 2016-08-17 Can Henry Kissinger be described as a serious statesman who altered the course of relations between states Or was he a shallow impersonator of those whom he admired and a geopolitical engineer who treated people as collateral fodder reducing morality to the status of a strategic and tactical tool Using the story of Kissinger's behaviour over Cyprus backed up by recently revealed government documents many critical William Mallinson former diplomat and leading authority on Cyprus history provides an incisive analysis and evaluation of Kissinger's approach revealing a man who appears to have considered political strategy more important than law and ethics **Britain and the Cyprus Crisis of 1974** John Burke, 2017-11-28 This book examines the ideological and socio political discourses shaping the remembrance and representation of Britain and the Cyprus conflict of 1974 within Greek Cypriot society By combining the official with the popular and drawing on an extensive range of oral history interviews this monograph shows that a suspicion born out of Britain's long neo colonial connection to Cyprus has come to frame the image and understanding of British actions associated with the events and lasting consequences of 1974 Indeed with the island of Cyprus still divided and the requirement to remember a national imperative this book has a direct contemporary relevance However within the existent literature while much has been written about the political roots of the Cyprus conflict no study has yet sought to systematically analyse and understand the influences shaping the history and memory of British actions on Cyprus in 1974 One defined by the existence of partitionist conspiracies collusive accusations and a series of memory distortions which continue to resonate strongly irrespective of the evidence that is now available As such by analysing the influences shaping the image of Britain in 1974 one can begin to understand in ever greater detail the Anglo Greek Cypriot relationship in a modern context Beyond a Divided Cyprus Nicos Trimikliniotis, Umut Bozkurt, 2012-11-26 Cyprus is a postcolonial island known for natural gas reserves and ethnic divisions This volume presents a fresh perspective on the Cyprus problem by examining the societal transformations taking place within the island socioeconomic development population transitions and migration and rapidly changing social and political institutions Great Power Politics in Cyprus Haralambos Alexandrou, Michalis Kontos, Nikos

Panayiotides,2014-06-30 This volume approaches foreign interventions in Cyprus from two different angles a vertical angle which corresponds to a case by case historical analysis of foreign interventions which have taken place throughout the modern history of Cyprus and a horizontal angle which corresponds to the implementation of systemic models of analysis in approaching foreign interventions in Cyprus Furthermore the volume deals with domestic perceptions formed as a result of foreign interventions in Cyprus focusing particularly on their impact on the politics and public rhetoric of the Cyprus problem especially as regards the Greek Cypriot community *Greece and the American Embrace* Christos Kassimeris,2009-12-18 During the Cold War era relations between Greece and Turkey attracted the interest of the two superpowers affected the objectives of the European Community and NATO and were regularly discussed within United Nations channels Whereas existing studies on Greco Turkish relations tend to focus on the various disputes between the two states of the Eastern Mediterranean and illustrate how continuous antagonism and aggression have dominated their interstate affairs Greece and the American Embrace Greek Foreign Policy Towards Turkey the US and the Western Alliance concentrates on the prospect of foreign intervention during the Cold War and considers the events and facts that brought about the conflict in the first place Although a significant number of studies imply or clearly support the potential for foreign interference in Greece s domestic political environment and external affairs and the related conspiracy theories few have exclusively concentrated their interest in exploring these allegations Greece s relations with external powers constituted colourful events in contemporary history and became determining factors in the formation of Greek foreign policy In fact the assumption that the role of external powers was highly influential granted all the omnipresent advocates of conspiracy theories a unique opportunity to call for Greece s disengagement from the western camp Kassimeris makes extensive use of all relevant documentation to challenge the issue of foreign intervention and the ways in which it encouraged speculation with regard to the objectives of Greek foreign policy while also undermining the relationship between Greece and her western allies Previously unpublished sources from the Congressional Reports Karamanlis Archives National Security Study Memorandums Greek Parliamentary Proceedings UN Resolutions and the US Department of State Documents are also included *The Cyprus Question and the EU* Andreas Theophanous,2004 *Greece and the Cold War* Alexander Kazamias,2022-08-25 After the proclamation of the Truman Doctrine in 1947 the United States became deeply involved in Greek affairs By 1952 however the pro Western government of Marshal Papagos began to support the nationalist Enosis movement in Cyprus and called for an end to British colonial rule in the island The opposition of the US Britain and Turkey to these demands brought Greece face to face with its closest allies at the United Nations in 1954 and led to the outbreak of the first major crisis within NATO since its creation Greece and the Cold War examines these developments from the novel perspective of critical international theory and exposes the unexplored connections between dependence and nationalism in Greek foreign policy Drawing on a wide range of American British and Greek archival sources it argues that nationalism and compliance with the collective

interests of NATO were two irreconcilable objectives in Greek foreign policy after 1952 At the same time the book tells the story of how the post Civil War governments of Greece for a variety of political cultural and ideological reasons treated these two objectives as essentially compatible resulting in the adoption of a dualist policy This self contradictory diplomatic doctrine which the author refers to as dependent nationalism lies at the heart of Greece s post War failures both to emancipate its politics from US intervention and to peacefully end its regional dispute with Turkey over Cyprus The book deploys an interdisciplinary approach which brings together the diverse perspectives of diplomatic history foreign policy analysis and political sociology **The Cyprus Review**,2006 The Cyprus Law Reports Cyprus. High Court of Justice,1964 **Cyprus** Christopher Hitchens,1984 De politieke gebeurtenissen op Cyprus vooral rond de Turkse militaire invasie in 1974 Cyprus Paschalis Kitromilides,Marios L. Evriviades,1982 A bibliographical guide to both classic publications and to an extensive range of modern scholarship concerning the history political and ethnic struggle international relations and the continuing problems of the island Also offers a substantial introduction to the geography natural history archaeological cultural and religious heritage as well as the diverse people and the contemporary personality of Cyprus as a modern society Annotation copyright by Book News Inc Portland OR **Reflections on the Cyprus Problem** Ahmet Sözen,2007 *The Cyprus Question* Thalís D. Mylonas,2004 *The Cyprus Law Reports* Cyprus. Supreme Court,Miran Sevasly,1905 *Foreign Press on Cyprus* ,1999 Cyprus: A Conflict at the Crossroads Thomas Diez,Nathalie Tocci,2009-08-15 This volume brings together leading scholars from various disciplines to analyse the Cyprus conflict from a number of perspectives The result is a picture of Cyprus that is unique in the nuances and multiple facets it provides

Cyprus, the United Nations and the Quest for Unity Margaret Wilmer Bartlett,2007 Bartlett presents a comparative analysis of UN forces in Cyprus with the UNEF II force sent to Sinai in 1973 a comprehensive discussion of how the government of Cyprus works successfully to represent its various political parties and an overview of the fifth and final Kofi Annan Plan **The Cyprus Law Reports** Cyprus. Anōtaton Dikastērion,1908 *Cyprus* Albert F. Reiterer,2003 Frankfurt M Berlin Bern Bruxelles New York Oxford Wien The Cyprus conflict has got new prominence since the EU decided in 1997 to accept the Republic s application for full membership as a legally unified state at the Luxembourg summit This analysis demonstrates that today the core of the issue is not re unification It is a problem of security of those concerned that is the Greek and Turkish Cypriots However to achieve this target a process of de securitisation of the political debate is needed especially in Turkey The Greek Cypriots could contribute to such a process by renouncing the fictitious aim of unification They would gain greatly by concentrating on achieving objectives like indemnisation and de militarisation of the island leaving the Turkish Cypriots to aims and objectives which are determined by their own needs Contents The Cyprus question as an international problem 1945 to 2002 Cyprus Problems and Cyprus Prospects an Appraisal Approaches to Managing the Conflict EU Application and the Most Recent Events Annex Documents and Statistics
