Cyril Of Jerusalem Mystagogue The Authorship Of The Mystagogic Catecheses:

Cyril of Jerusalem, Mystagogue Alexis James Doval, 2001 After centuries of unresolved dispute over the question of whether the Mystagogic Catecheses belongs among the works of St Cyril of Jerusalem this book finally settles the controversy These post baptismal Easter sermons are a prized witness to the way the rites of initiation baptism confirmation and Eucharist were celebrated in fourth century Jerusalem and for the rich sacramental theology they contain Uncertain authorship has prevented the text from being fully appreciated as an integral part of Cyril s works Cyril s reputation as a catechist is time honored and his Baptismal Catecheses has served as an invaluable source of early Church doctrine and practice Scholars can now confidently include the mystagogic sermons in their study of Cyril s doctrinal and sacramental theology and practice This study addresses much more than the question of authorship A thorough examination of the Mystagogic Catecheses in conjunction with Cyril s Baptismal Catecheses provides a new view into his life and thought as both catechist and mystagogue It begins with a survey of those aspects of Cyril s life and his Jerusalem church that are relevant to reassessing the authorship of the Mystagogic Catecheses It then examines the text s manuscript tradition literary tradition and date There follows the most extensive section a comparative analysis of the disputed sermons and Cyril s Baptismal Catecheses in the areas of liturgical rites theology spirituality and literary style The text is then compared to the known works of the contending author John II of Jerusalem Finally the sermons are subjected to a stylometric analysis that is a computer based statistical analysis of literary style This book will be welcomed by scholars of early Christianity especially those interested in the life and works of Cyril of Jerusalem Of special interest is its treatment of the history and development of liturgy in the Christian East through the fourth century This is the first volume in the Patristic Monograph Series of the North American Patristic Society to be published by the Catholic University of America Press ABOUT THE AUTHOR Alexis James Doval is associate professor of religious studies at Saint Mary s College of California PRAISE FOR THE BOOK A considerable contribution to a vexed but vital question about Cyril and the mystagogical catecheses Doval s study is a must for any patrologist interested in liturgical history and theology concerned about the resurgence of the Jerusalem church studying the development of catechesis and catechumenate or exploring questions related to the controversies of the fourth century Prof Thomas Finn College of William and Mary The persistent question of authorship receives a comprehensive treatment in this work The door on John s authorship of the mystagogical catechesis is not completely closed but for Doval it remains an improbability at best Barring new evidence it will probably never be opened wide again in the wake of this study William P McDonald Journal of Early Christian Studies A n important purchase for libraries which have patristics collections or collections in the history of doctrine and liturgy Cecil R White Catholic Library World Doval s cumulative case is compelling and the onus must now be on those who dispute Cyril s authorship to justify continued dissent A n important contribution to studies of Cyril of Jerusalem and the fourth century liturgy of the Holy City Bryan D Spinks Journal of

Ecclesiastical History This book offers a very carefully defined structure and method for dealing with a highly complicated question Pablo F Argarate Toronto Journal of Theology **The Rites of Christian Initiation** Maxwell E. Johnson,2016-03-24 Originally published in 1999 The Rites of Christian Initiation was hailed for its clarity and comprehensiveness Kalian McDonnell OSB called it the best overall treatment of Christian initiation available and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West It is sure to replace itself as the new standard reference on the rites of Christian initiation Maxwell E Johnson s expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church including two chapters that explore the pre Nicene Eastern and Western traditions in detail Revisiting the theology of baptism this edition also provides more nuanced positions on the Eastern and Western traditions Finally recent liturgical developments in American Protestant churches particularly Lutheran as well as the ongoing development of the RCIA and confirmation practices of Catholics made it necessary to revisit the place and meaning of these rites in the church today Maxwell E Johnson PhD is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America He has published in Worship and is the editor of and contributor to Living Water Sealing Spirit Readings on Christian Initiation Liturgical Press 1995 and the revised and expanded edition of E C Whitaker Documents of the Baptismal Liturgy Liturgical Press and S P C K 2003 to which this study serves as a companion volume **Secret Faith in the Public Square** Jonathan Malesic,2009-09-01 In this groundbreaking and provocative book Jonathan Malesic argues that the best way for Christians to be caretakers of their tradition and to love their neighbors selflessly is to conceal their religious identity in American public life The alternative insisting on Christianity s public visibility in politics the marketplace and the workplace risks severely compromising the distinctiveness of Christian identity Delving deep into the Christian tradition Malesic explains that keeping Christian identity secret means living fully in the world while maintaining Christian language prayer and liturgy in reserve He shows how major thinkers Cyril of Jerusalem S ren Kierkegaard and Dietrich Bonhoeffer sought to protect Christian identity from being compromised by the public sphere He then shows that Christians dual responsibilities for the tradition and for the neighbor must be kept secret **Early and Medieval Rituals and Theologies of Baptism** Bryan D. Spinks,2006 In this first of two volumes Bryan Spinks summarizes the understandings of baptism in the New Testament and the development of baptismal reflection and liturgical rites throughout Syrian Egyptian Roman and African regions He focuses particularly on the Homilies of Chrysostom Cyril of Jerusalem Theodore and Ambrose the post nicene rites and commentaries and the impact of medieval theologies of baptism and Augustinian theology with reference to Western understanding *Saving Fear in Christian Spirituality* Ann W. virtue or disposition the fear of the Lord also frequently entails emotional experiences of differing kinds compunction dread reverence wonderment and awe Starting with the Bible itself this collection of seventeen essays explores the place of holy fear in Christian spirituality from the early church to the present and argues that this fear is paradoxically linked in various ways to fear's seeming opposite love Indeed the charged dynamic of love and fear accounts for different experiences and expressions of Christian life in response to changing historical circumstances and events The writings of the theologians mystics philosophers saints and artists studied here reveal the relationship between the fear and the love of God to be profoundly challenging and mysterious its elements paradoxically conjoined in a creative tension with each other but also tending to oscillate back and forth in the history of Christian spirituality as first one then the other comes to the fore sometimes to correct a perceived imbalance sometimes at the risk of losing its companion altogether Given this historical pattern clearly evident in these chronologically arranged essays the palpable absence of a discourse of holy fear from the mainstream theological landscape should give us pause and invite us to consider if and how under what aspect in which contexts a holy fear inseparable from love might be regained or discovered anew within Christian spirituality as a remedy both for a crippling anxiety and for a presumptive recklessness This book will be of interest to students and scholars of Christian spirituality theology biblical studies religious studies and religion and literature Contributors Ann W Astell Pieter G R de Villiers Donna R Hawk Reinhard John Sehorn Catherine Rose Cavadini Joseph Wawrykow Robert Boenig Ralph Keen Wendy M Wright Ephraim Radner Julia A Lamm Cyril O Regan Brenna Moore Maj Britt Frenze and Todd Walatka
