Czars, Soviets & Mennonites John B. Toews, 1982 **A Mennonite Family in Tsarist Russia and the Soviet Union, 1789-1923** David G. Rempel, 2011-09-10 Rempel combines his first hand account of life in Russian Mennonite settlements during the landmark period of 1900-1920 with a rich portrait of six generations of his ancestral family from the foundation of the first colony in 1789 *A Pilgrimage of Faith* John B. Toews, 1993 It is now 1990 one hundred and thirty years since the birth of the Mennonite Brethren Church and therefore time for someone in that church to take a backward glance to see how things have developed Who better to do this John B Toews His life spans well over half of those years and he has experienced much of what he writes JB as he is affectionately known by both students and colleagues is a patriarchal figure in the Mennonite Brethren Church Born in Ukraine the Russian Revolution and its aftermath were the crucible that shaped his youth and young adult years After studying in Western Europe Toews immigrated to Canada in the late 1920s Much of his life has been in Mennonite Brethren educational institutions in Canada and the United States During ten years as Executive Secretary of the Mennonite Brethren Board of Missions he traveled widely and came to know Mennonite Brethren people around the world In between educational and mission administrative responsibilities he pastored in Kansas and California After retiring from the presidency of the Mennonite Brethren Biblical Seminary he became the founding Director of the Historical Commission of the Mennonite Brethren Church *Women Without Men* Marlene Epp, 2000-01-01 The story of thousands of Mennonite women who having lost their husbands and fathers assumed altered gender roles in their adopted homeland and created a culture of women refugees with its own distinctive historical narrative **Imagined Homes** Hans Werner, 2012-10-18 *Imagined Homes* Soviet German Immigrants in Two Cities is a study of the social and cultural integration of two migrations of German speakers from Eastern Europe and the Soviet Union to Winnipeg Canada in the late 1940s and Bielefeld Germany in the 1970s Employing a cross national comparative framework Hans Werner reveals that the imagined trajectory of immigrant lives influenced the process of integration into a new urban environment Winnipeg's migrants chose a receiving society where they knew they would again be a minority group in a foreign country while Bielefeld's newcomers believed they were going home and were unprepared for the conflict between their imagined homeland and the realities of post war Germany Werner also shows that differences in the way the two receiving societies perceived immigrants and the degree to which secularization and the sexual and media revolutions influenced these perceptions in the two cities were crucially important in the immigrant experience *Mennonite Pacifism and State Service in Russia* Lawrence Klippenstein, 1984 *Path of Thorns* Jacob J. Neufeld, 2014-02-05 Under Bolshevik and Nazi rule nearly one third of all Soviet Mennonites including more than half of all adult men perished while a large number were exiled to the east and the north by the Soviet secret police NKVD Others fled westward on long treks seeking refuge in Germany during the Second World War However at war's end the majority of the USSR refugees living in Germany were sent to the Soviet Gulag where

many died Paths of Thorns is the story of Jacob Abramovich Neufeld 1895 1960 a prominent Soviet Mennonite leader and writer as well as one of these Mennonites sent to the Gulag Consisting of three parts a Gulag memoir a memoir history and a long letter from Neufeld to his wife this volume mirrors the life and suffering of Neufeld s generation of Soviet Mennonites In the words of editor and translator Harvey L Dyck Neufeld s writings elevate a simple story of terror and survival into a remarkable chronicle and analysis of the cataclysm that swept away his small but significant ethno religious community
