## **Czech And Slovak Republics:**

Czech & Slovak Republics John S. King, Scott McNeely, Richard Nebeský, 1998 Briefly traces the history of the region describes points of interest and recommends hotels and restaurants

**Czech & Slovak Republics** John S. King, Richard Nebeský, 1995 Croatia is one of the most popular short haul destinations for Europeans and a trendy travel hot spot Smart itineraries section helps readers tailor their trips

**The Czech And Slovak Republics** Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

**Czech & Slovak Republics** Insight Guides, 1998 Insight Guides the world's largest visual travel guide series in association with Discovery Channel the world's premier source of nonfiction entertainment provides more insight than ever From the most popular resort cities to the most exotic villages Insight Guides capture the unique character of each culture with an insider's perspective Inside every Insight Guide you'll find Evocative full colour photography on every page Cross referenced full colour maps throughout A brief introduction including a historical timeline Lively essays by local writers on the culture history and people Expert evaluations on the sights really worth seeing Special features spotlighting particular topics of interest A comprehensive Travel Tips section with listings of the best restaurants hotels and attractions as well as practical information on getting around and advice for travel with children

**The Road to the European Union** Jacques Rupnik, Jan Zielonka, 2003-11-08 Publisher Description

*The Czech & Slovak Republics* Rob Humphreys, David Charap, 1996 This book provides comprehensive and up to date information about the Czech and Slovak republics with reviews of the best restaurants and pubs accommodation and entertainment plus information on the history and culture of the two nations

**Defining the Sovereign Community** Nadya Nedelsky, 2012-02-28 Though they shared a state for most of the twentieth century when the Czechs and Slovaks split in 1993 they founded their new states on different definitions of sovereignty The Czech Constitution employs a civic model founding the state in the name of the citizens of the Czech Republic while the Slovak Constitution uses the more exclusive ethnic model and speaks in the voice of the Slovak Nation Defining the Sovereign Community asks two central questions First why did the two states define sovereignty so differently Second what impact have these choices had on individual and minority rights and participation in the two states Nadya

Nedelsky examines how the Czechs and Slovaks understood nationhood over the course of a century and a half and finds that their views have been remarkably resilient over time. These enduring perspectives on nationhood shaped how the two states defined sovereignty after the Velvet Revolution, which in turn strongly affected the status of the Hungarian minority in Slovakia and the Roma minority in the Czech Republic. Neither state has secured civic equality, but the nature of the discrimination against minorities differs. Using the civic definition of sovereignty offers stronger support for civil and minority rights than an ethnic model does. Nedelsky's conclusions challenge much analysis of the region, which tends to explain ethnic politics by focusing on postcommunist factors, especially the role of opportunistic political leaders. *Defining the Sovereign Community* instead examines the undervalued historical roots of political culture and the role of current constitutional definitions of sovereignty. Looking ahead, Nedelsky offers crucial evidence that nationalism may remain strong in Slovakia and the Czech Republic even in the face of democratization and EU integration and is an important threat to both. *Czech & Slovak Republics* Michael Jacobs, 1999 The political complexion of the old Czechoslovakia has changed much since the first edition of this guide in 1992 and these changes are reflected in this revised and updated edition. The author tours through castles and spa towns as well as old villages farther afield and he covers all aspects of this fascinating country, including the glories of its art and architecture but also its music, literature, and cinema. *The History of the Czech Republic and Slovakia* William Mahoney, 2011-02-18 This survey of Czech and Slovak history traces the development of two neighboring peoples through the creation of a common Czechoslovakian state in 1918 to the founding of the independent Czech and Slovak Republics in 1993 and beyond. *The History of the Czech Republic and Slovakia* charts historical developments in the two nations to the opening decade of the 21st century. The book begins with an overview of the geography, climate, people, economy, and government of both the Czech and Slovak republics. Subsequent chapters offer a chronologically organized survey of historical events, trends, ideas, and people. Starting with the early Slavic settlements around the 5th century AD, the book explores Czech and Slovak history through the Middle Ages, the Renaissance, and Early Modern eras, the Enlightenment, and the age of nationalism and revolution. Chapters on the 20th century include discussion of the World Wars, the interwar Czechoslovak state, the Communist decades, the Prague Spring, and the Velvet Revolution of 1989. The story is brought up to date with insights into developments in the independent Czech and Slovak republics since 1993. *Czech & Slovak Republics*, 2015-05-07 DK Eyewitness Travel Guide *Czech and Slovak Republics* is your indispensable guide to these two beautiful countries. ## **Czech And Slovak Republics Introduction**

In today's digital age, the availability of Czech And Slovak Republics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Czech And Slovak Republics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Czech And Slovak Republics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Czech And Slovak Republics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Czech And Slovak Republics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Czech And Slovak Republics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Czech And Slovak Republics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Czech And Slovak Republics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Czech And Slovak Republics books and manuals for download and embark on your journey of knowledge?
