(Illustrated)** Jessie Chambers,2017-05-06 E T is the pseudonym that Jessie Chambers 1887 1944 used to publish her memoirs with emphasis on her friendship with D H Lawrence This little book is of great importance for readers to get to know more in depth the complex psychology of D H Lawrence both as a man and writer The importance lies in the fact that Jessie s remembrances are a reliable depiction of Lawrence s boyhood and adolescence Through Jessie s eyes we become witnesses to the artist s development his whims his mannerisms his odd behavior and his literary formation Jessie s prose is agile though measured most of the times her narration at times gallops and soars through falling and rising skies of memory like a free Pegasus All in all a wonderful and delightful reading      *D.
