D H Lawrence And Survival Darwinism In The Fiction Of The Transitional Period

Lei Shi

D H Lawrence And Survival Darwinism In The Fiction Of The Transitional Period:

D.H. Lawrence and Survival Ronald Granofsky, 2003 Although Darwin's ideas about evolution were dominant in D H Lawrence's day little scholarly work has been done on the influence of these concepts on his work This work argues that Lawrence employed ideas based on evolution in his fiction particularly during the transition between his marriage and leadership periods 1919-22 when he embarked on a major rethinking of the direction of his creative work and that these ideas contributed to the deterioration in his fiction after *Women in Love* The book shows that Lawrence's deliberate use of Darwinian elements in his narrative strategy occurred at a time when he was increasingly concerned about survival both personally due to illness and as an artist The result in his fiction is a subtext in which his anxieties are projected onto female characters and the evolution of his writing is frustrated by unresolved emotional conflicts Through new readings of the major fiction of Lawrence's transitional period Ronald Granofsky demonstrates that Lawrence's deterioration as a writer and the misogyny of his later work was primarily the result of a deliberate effort on his part to move the ideological yardsticks of his fiction

D. H. Lawrence's Australia Dr David Game, 2015-08-28 In this first full length account of D H Lawrence's rich engagement with a country he found both fascinating and frustrating Game examines how Australia informed the utopian and regenerative visions that characterize so much of Lawrence's work He sheds new light on Lawrence's attitudes towards Australian Aborigines women and colonialism and revisits key aspects of Lawrence's development as a novelist and thinker

Rhythmic Modernism Helen Rydstrand, 2019-01-24 Contrary to the common view that cultural modernism is a broadly anti-mimetic movement one which turned away from traditional artistic goals of representing the world Rhythmic Modernism argues that rhythm and mimesis are central to modernist aesthetics Through detailed close readings of non-fiction and short stories Helen Rydstrand shows that textual rhythms comprised the substance of modernist mimesis Rhythmic Modernism demonstrates how many modernist writers such as D H Lawrence Katherine Mansfield and Virginia Woolf were profoundly invested in mimicking a substratum of existence that was conceived as rhythmic each displaying a fascination with rhythm both as a formal device and as a vital protean concept that helped to make sense of the complex modern world **Modern**

British Nature Writing, 1789-2020 Will Abberley, Christina Alt, David Higgins, Graham Huggan, Pippa Marland, 2022-03-17 This first full length study of modern British nature writing is timely and invaluable for literary scholarship in the environmental crisis

Modernism and Masculinity Natalya Lusty, Julian Murphet, 2014-03-31 Modernism and Masculinity explores the varied dimensions and manifestations of masculinity in modernist literature and culture **Studies in Honour of Neil McLaren**, 2008 **Canadian Books in Print**, 2001 *Books in Print Supplement*, 2002 Historical

Abstracts, 1987 *Subject Guide to Books in Print*, 1971 British Books in Print, 1985 *D.H. Lawrence and Survival*

Ronald Granofsky, 2003-05-21 Granofsky shows that Lawrence's deliberate use of Darwinian elements in his narrative strategy occurred at a time when he was increasingly concerned about survival both personally due to illness and as an artist

The result in his fiction is a subtext in which his anxieties are projected onto female characters and the evolution of his writing is frustrated by unresolved emotional conflicts Through new readings of the major fiction of Lawrence s transitional period Granofsky demonstrates that Lawrence s deterioration as a writer and the misogyny of his later work was primarily the result of a deliberate effort on his part to move the ideological yardsticks of his fiction *D.H. Lawrence and Attachment* Ronald Granofsky,2022-07-15 Using concepts from attachment theory D H Lawrence and Attachment presents innovative readings of Lawrence s fiction Ronald Granofsky teases out hidden patterns in Lawrence s work deepening our understanding of his fictional characters and revealing new significance to key thematic concerns like gender identification marriage and class Arts & Humanities Citation Index ,1994 *Books Out-of-print* ,1981 **The British National Bibliography** Arthur James Wells,1993 Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 LAWRENCE, DARWIN AND HARDY Lisbeth Arndal,1991 **D.H. Lawrence: the Early Fiction** Michael H. Black,1990 **D.H. Lawrence, Science and the Posthuman** J. Wallace,2005-06-28 Why was D H Lawrence preoccupied with the enigma of the human as thinking matter This first sustained study of Lawrence and science shows how posthuman conceptions of a material kinship between humans animals and machines can transform our understanding of Lawrence s work and of its complex relationship with scientific epistemologies Through detailed readings of evolutionary philosophy and of the new Bergsonism of Deleuze and others Wallace provides a radical reappraisal of Lawrence in terms of an antihumanist or posthumanist humanism Hardt and Negri

The Enthralling World of E-book Books: A Detailed Guide Revealing the Benefits of Kindle Books: A World of Convenience and Versatility E-book books, with their inherent portability and simplicity of access, have freed readers from the constraints of hardcopy books.
