D H Lawrence At Thirroul:

D.H. Lawrence at Thirroul Joseph Davis, 1989 Kangaroo Courts and the Rule of Law Desmond Manderson, 2012-07-26

Kangaroo Courts and the Rule of Law The Legacy of Modernism addresses the legacy of contemporary critiques of language for the concept of the rule of law Between those who care about the rule of law and those who are interested in contemporary legal theory there has been a dialogue of the deaf which cannot continue Starting from the position that contemporary critiques of linguistic meaning and legal certainty are too important to be dismissed Desmond Manderson takes up the political and intellectual challenge they pose Can the rule of law be re configured in light of the critical turn of the past several years in legal theory rather than being steadfastly opposed to it Pursuing a reflection upon the relationship between law and the humanities the book stages an encounter between the influential theoretical work of Jacques Derrida and Mikhail Bakhtin and D H Lawrence s strange and misunderstood novel Kangaroo 1923 At a critical juncture in our intellectual history the modernist movement at the end of the first world war and struggling with the same problems we are puzzling over today Lawrence articulated complex ideas about the nature of justice and the nature of literature Using Lawrence to clarify Derrida s writings on law as well as using Derrida and Bakhtin to clarify Lawrence s experience of literature Manderson makes a robust case for law and literature With this framework in mind he outlines a post positivist conception of the rule of law in which justice is imperfectly possible rather than perfectly impossible Brief Encounters Susannah Fullerton, 2009-06-01 Throughout the 19th and early 20th centuries countless distinguished writers made the long and arduous voyage across the seas to Australia They came to give lecture tours and make money to sort out difficult children sent here to be out of the way for health for science to escape demanding spouses back home or simply to satisfy a sense of adventure In 1890 for example Robert Louis Stevenson and his wife Fanny arrived at Circular Quay after a dramatic sea voyage only to be refused entry at the Victoria one of Sydney s most elegant hotels Stevenson threw a tantrum but was forced to go to a cheaper less fussy establishment Next day the Victoria s manager recognising the famous author from a picture in the paper rushed to find Stevenson and beg him to return He did not In Brief Encounters renowned author and speaker Susannah Fullerton examines a diverse array of writers including Charles Darwin Rudyard Kipling Stevenson Anthony Trollope Mark Twain Arthur Conan Doyle DH Lawrence Joseph Conrad HG Wells Agatha Christie and Jack London to discover what they did when they got here what their opinion was of Australia and Australians how the public and media reacted to them and how their future works were shaped or influenced by this country *Overland* , 1995 *The Battle of the Sexes in D.H.
