Everybody loves a Wiener dog. Their funny bodies with their short little legs, floppy ears, and pleading eyes make Dachshunds irresistible even to people who claim to dislike small dogs. Also, Dachshunds are natural clowns. They can keep a room in stitches with their antics and coax one more dog cookie out of the strictest disciplinarian. In addition, Dachshunds are great with kids, love to play, and can be extremely affectionate. On the other hand, Dachshunds can sometimes be very willful and hard to train, often bark a lot, and can rival a Labrador Retrievers in their ability to dismantle your furniture. Is this playful and inquisitive breed the right dog for you and your family? *Dachshunds For Dummies* provides the answer to this and all your questions about getting, caring for, and living with this unique breed. Life-long Dachshund fancier and leading pet journalist Eve Adamson gets you up and running with what you need to know to find and communicate with reputable breeders. affectionate full of their own importance lots of FUN They are also typical hounds so can be a bit stubborn sometimes slow to housetrain or too fond of the sound of their own bark The trick is to persuade them that what YOU want them to do is actually what THEY want to do when it comes to training Dachshunds think differently to other dogs The information in this book will change your canine into a blissful dependable and sure buddy you can take anyplace and realize that he will answer enthusiastically and happily Grab a copy now
