Dad And His Teenagers:

Dad, If You Only Knew... Josh Weidmann, James Weidmann, 2005-07-08 Listen Up Dads Your Teen Is Talking to You As exasperating as parenting can be during these volatile years your teen is depending on you for steady faithfulness love and guidance And because teens often find words elusive and expression difficult they probably haven't told you the things they wish you somehow automatically knew So let Dad If You Only Knew be your guide Josh Weidmann just out of the teen years himself joins his father James to help dads understand where their kids are coming from It's a messy world they live in and meeting them in it is no simple task But knowing these essentials now makes fatherhood eight times easier Welcome to Your Teen's World It doesn't matter if you have the most picture perfect ideal in every way teen or one who's in full swing rebellion That teen you love is a riddle wrapped in a mystery No father can know what his teen is really thinking That's why youth communicator Josh Weidmann teamed with his father Jim to help you bridge the gap In Dad If You Only Knew you'll get an open honest glimpse inside the teen mind Josh's extensive research combined with pointed direction from a father's heart provide you with the practical guidance you need to establish a healthy thriving father teen relationship It's one you desire your teen needs and you both can't afford to miss Story Behind the Book The resounding cry of teens for their fathers rings in my ear I have been speaking to youth for five years and the greatest void I see in teens' lives is the one left by their dad I am only twenty three years old myself and to this day I can say that my dad is the most influential man in my life Because of his impact I have asked him share in this book We have written this message in hopes of helping dads reengage in the vital father teen relationship Josh Weidmann
