**Daddy Lessons** Carolyne Aarsen, 2018-07-17 Find a fresh start at life and love in these two stories by author Carolyne Aarsen *The Rancher's Return* In the wake of family tragedy Carter Beck wants to sell Rocking K ranch the only home he s ever known His new horse trainer Emma Minton sees the ranch as her fresh start And as Emma s little boy becomes attached to Carter he wonders if selling the ranch is really for the best Could this bond mean a second chance at a family for all of them *Daddy Lessons* The high school sweetheart who broke her heart is the last person teacher Hailey Deacon expects to see during her temporary stay in her hometown But when widower Dan Morrow brings his troubled six year old daughter to Hailey for help how can she refuse Hailey vows not to fall for him again But if a determined little girl has her way Hailey won t be leaving Hartley Creek again anytime soon *GOD-JESUS-WILD HORSES* Michael Lee Johnson, 2017-07-18 *God Jesus Wild Horses* is not your normal story but rather a culmination of my thoughts and feelings during my first year of intense psychotherapy for childhood related post traumatic stress disorder issues and how my belief in God Jesus and wild horses gave me the strength to survive the torture and humiliation I was forced to endure My therapist asked me to write down my

thoughts and when I started I could not stop I wrote and wrote and the more I wrote the more memories and intrusive thoughts would come to mind It was as if I didn't have any choice in this matter I had to get the thoughts out of my head and onto paper otherwise I was sure I would go completely insane The more I wrote the more I was encouraged by my treatment team to publish my writings My primary goal in publishing is to help others that did go through similar experiences and or to help those that are currently being abused My abuse was physical emotional and sexual at the hands of my father I was brought up to honor thy father and mother and didn't fully comprehend what my father was doing was wrong I thought since he was my father he had every right to treat me however he chose and my punishment was warranted because I was not able to do anything right I thought I had a defective brain The person that was put on earth to love and care for me didn't just abuse me he tortured me using all means that were available to hurt and humiliate and try to do whatever it took to break my spirit My father never did break my spirit because God Jesus and wild horses were always there for me when I needed them the most

**Big Daddy** Bill Boyarsky, 2008 Jesse Unruh was a remarkable phenomenon in American politics a figure of tremendous energy and intelligence with flaws to match Although he never held public office beyond his home state his institutional creativity as Speaker of the California Assembly and as State Treasurer had nationwide impact Bill Boyarsky followed Unruh's career from the early days and has produced a careful fair minded and appreciative portrait without neglecting skeletons in the closet buried bodies and other colorful details of California politics that only a long term well informed observer could provide Nelson Polsby University of California Berkeley Jesse Unruh was California's most flamboyant and influential legislator He has a worthy biographer in Bill Boyarsky one of the state's best ever political reporters Boyarsky has written a lively treasure of a book that is at once critical and sympathetic he unflinchingly describes Unruh's larger than life flaws but gives him deserved credit as an effective populist who wrote civil rights and education laws that were well ahead of their time Beyond biography this fascinating book provides a revealing examination of a state capitol culture that has been swept aside by the modern era of term limits and lavish campaign spending Boyarsky writes about a vanished time when people cared about politics and politicians like Unruh also cared about the people Lou Cannon author of Governor Reagan His Rise to Power Big Daddy is the gripping real life story of Jesse M Unruh and the development of California following WWII Boyarsky reveals how Unruh's multi faceted character shaped his significant contributions He was an institution builder who created a professional legislature and a passionate centrist who promoted civil rights shareholder rights and a responsible system of educational financing and accountability This page turner pulls no punches in describing the complexities of the man and his times and their relevance for today's divisive politics Ann N Crigler chair of the Department of Political Science University of Southern California If Bill Boyarsky had merely written about Big Daddy Unruh one of the most powerful California politicians of the 20th Century this would have been a valuable book Jesse comes alive in all his bullying bulk and commitment to progressive public policy But Boyarsky's work is much more than that It is a close up

look at California's Capitol when it consistently worked not always in a pretty way Those politicians may have sinned but they definitely succeeded in meeting the needs of a fast growing state This is an enjoyable read with many lessons George Skelton L A Times State Political Columnist Only a seasoned reporter such as Bill Boyarsky would have the insight and skill to chronicle the life and times of this flamboyant but enigmatic politician this gruff giant this wizard of the legislative process this ardent advocate and fierce opponent the late great Jesse Unruh Kevin Starr Professor of History University of Southern California
