Dads War:

Dad's War W. Wesley Johnston, 2014-02-10 Wesley Johnston's Dad survived WWII but died when Wesley was only 8. Wesley had a few fragments of stories, a scrapbook and some WWII souvenirs but little notion of what his Dad had seen and done. After seeing Quentin Aanenson's autobiographical *A Fighter Pilot's Story*, Wesley wondered what documentary his Dad would have made if he had lived. And so he resolved to find out. He soon realized that what we was learning about how to do this research could help others and began the Dad's War web site and workshops. Health forced him to stop the workshops but the workshop book and web site continue to help others seeking to find and tell their own father's WWII story. **Dad's War** Chris Tarrant, 2014-05-22 The Sunday Times Top Ten Bestseller Chris Tarrant and his father Basil were very close; they played sport together, watched sport together and shared the same sense of humour. Chris loved and admired his father but it was only after his death he realised that he hardly knew him at all. Basil Avery Tarrant grew up in 1920s Reading where the smell of beer and biscuits from the local factories filled the air. He worked as an administrator in a local factory and spent his Saturday nights down at the music halls. But what happened to Basil during the war and how he came to be awarded the Military Cross remained a mystery to Chris and his family for nearly sixty years. In this emotional journey, Chris discovers that Basil was involved in some of WWII's most significant campaigns including the Dunkirk evacuation and the D Day landings and also took part in some of the most brutal close range fighting in Cleve. **Dad's War** is a profoundly moving and heartfelt tribute to a much loved father but it's also a sincere and humble commemoration of the bravery and sacrifice of the soldiers of WWII. *Dad's War* Chris Tarrant, 2014 Chris Tarrant and his father Basil were very close; they played sport together, watched sport together and shared the same sense of humour. Beginning in 1870, Springfield served as a railroad hub that connected the Ozarks culturally and financially to Kansas City, St Louis, Chicago and points along the East Coast. In 1938, Route 66 became part of the city's history when the legendary highway came through the public square on College Street. Built on land donated by Springfield founder John Polk Campbell, the square continues to be a vital part of the city's culture and economy. Postcard
