Blank Space W. David Marx, 2025-11-18 An NPR Most Anticipated Book of Fall 2025 A revealing exploration of a quarter century of cultural stagnation examining the commercial and technological forces that have come to dominate contemporary culture from music and fashion to art film TV and beyond Over the past twenty five years pop culture has suffered from a perplexing lack of reinvention We've entered a cultural blank space an era when reboots rehashes and fads flourish while bold artistic experimentation struggles to gain recognition Why is risk no longer rewarded and how did playing it safe become the formula for success Acclaimed cultural historian W David Marx sets out to uncover the answers In this ambitious cultural history Marx guides us through the blur of the twenty first century so far from the Obama era to the rise of K pop from Paris Hilton to the Marvel cinematic universe

from Beyonc and Taylor Swift to Beyonc and Taylor Swift whose enduring influence highlights both their adaptability and the broader shifts in pop culture Combining sociological economic and political insights with a deep dive into art street culture fashion and technology Blank Space dissects the rise of profit driven formulaic trends and the shifting cultural norms that often prioritize going viral over innovation He reveals how backlash against indie snobbery and nineties counterculture gave rise to a counter counterculture one marked by antiliberal sentiment the celebration of business heroes and the increasing influence of industry plants and the elite class In a world of crypto bros nepo babies and AI driven art Marx offers readers a much needed dose of clarity and context Vibrantly narrated and sharply argued Blank Space is an essential guide for anyone looking to understand the chaos of the twenty first century the trends tastemakers and icons who shaped it and how we might push our culture forward over the next quarter century through renewed emphasis on creativity community and the values that transcend mere profit

Perspectives on Justice and Trust in Organizations Linda L. Neider, Chester A. Schriesheim, 2012-08-01 We are living in an age of pervasive distrust one so severe that journalists discuss the trust deficit almost as regularly as they do trade or economic shortfalls Perceptions of injustice and lack of fairness have increased so much during the years after the economic crash of 2008 that few organizations both public and private have been left unaffected In fact numerous opinion polls illustrate deep distrust on the part of participants towards political leaders government organizations and certainly business leaders across many industries Democrats Republicans

conservatives liberals the wealthy the poor executives police officers managers the list goes on and on Some months back an NBC WSJ survey showed an eye popping 82% disapproval rating for the U S Congress the lowest in the history of the poll With this climate as a backdrop Volume 9 of the Research in Management series brings together seven chapters written by leading scholars in the field of justice and trust who present new research models and conceptualizations to provide insights for key issues in this field both from a scholarly perspective as well as pragmatic suggestions for practice A New Variorum Edition of Shakespeare William Shakespeare,1907 Scot.
