Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children's literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa [The Essential Guide to Children's Books and Their Creators](#) , Upon publication Anita Silvey's comprehensive survey of contemporary children's literature *Children's Books and Their Creators* garnered unanimous praise from librarians educators and specialists interested in the world of writing for children Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy affordable reference geared specifically to parents educators and students This new volume introduces readers to the wealth of children's literature by focusing on the essentials the best books for children the ones that inform impress and most important excite young readers Updated to include newcomers such as J K Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends this edition features more than 475 entries on the best loved children's authors and illustrators numerous essays on social and historical issues thirty personal glimpses into craft by well known writers illustrators and critics and invaluable reading lists by category *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature in a practical guide essential for anyone choosing a book for or working with children *Chewing the Cud* Dick King-Smith,2009-02-19 A candid and very funny memoir from beloved children's book author Dick King Smith Before he was a children's book author Dick King Smith was a soldier a farmer a salesman a factory worker and a teacher But he was always a devoted family man who loved the countryside he lived in and the animals he kept In this insightful memoir Dick King Smith recounts the joys and failures of his life with equal humor and candor And he remembers a delightful cast of animal characters from Anna the dachshund who turned out to be just stubborn not deaf to the 600 pound pig Monty who liked to be scratched on top of his head to Wilhelmina a pet badger who was fond of love bites As readers delight in recognizing the inspiration behind many of Dick King Smith's books they'll also see how a collection of experiences made a man a writer [We Are Best Friends: Animals in Society](#) Leslie Irvine,2019-10-01 Friendships between humans and non human animals were once dismissed as sentimental anthropomorphism After decades of research on the emotional and cognitive capacities of animals we now recognize human animal friendships as true reciprocal relationships Friendships with animals have many of the same characteristics as friendships between humans Both parties enjoy the shared presence that friendship entails along with the pleasures that come with knowing another being Both friends develop ways of communicating apart from or in addition to spoken language **Dick King-Smith** Chris Powling,2009-06 Dick King Smith worked as a farmer a salesman a shoemaker and a teacher before becoming a children's author Now he is world famous for

his books about animals including *The Sheep Pig* which was remade into the movie *Babe* *Any Child Can Read Better*
Harvey S. Wiener, 1996-05-16 Reading however fundamental the task may seem to everyday life is a complex process that takes years to master Yet learning to read in the early stages is not an overwhelming problem for most children especially when their classroom learning is coupled with a nurturing home environment in which reading is cherished and pencil and paper are always available and fun to use In fact studies have shown that children score higher in reading if their parents support and encourage them at home Unfortunately though many parents want to involve themselves actively in their children's education very few know just what to do Now Dr Harvey S Wiener author of the classic *Any Child Can Write* provides an indispensable guide for parents who want to help their children enter the magic realm of words In *Any Child Can Read Better* Second Edition Dr Wiener offers practical advice on how to help children make their way through the maze of assignments and exercises related to classroom reading In this essential book parents learn how to be reading helpers without replacing or superseding the teacher by supporting a child's reading habits and sharing the pleasures of fiction poetry and prose Home learning parents also will find a wealth of information here Through comfortable conversation and enjoyable exercises that tap children's native abilities parents can help their child practice the critical thinking and reading skills that guarantee success in the classroom and beyond For example Dr Wiener explains how exercises such as prereading warm ups like creating word maps a visual scheme that represents words and ideas as shapes and connects them will allow youngsters to create a visual format and context before they begin reading He shows how pictures from a birthday party can be used to create patterns of meaning by arranging them chronologically to allow the party's story to emerge or how they might be arranged by order of importance a picture of Beth standing at the door waiting for her friends to arrive could be displayed first Beth blowing out the birthday cake placed toward the middle of the arrangement and the pictures of Beth opening her gifts especially the skates she's been begging for all year would surely go toward the end of the sequence Dr Wiener shows how these activities and many others such as writing games categorizing toys or clothes or favorite foods and reading journals will help children draw meaning out of written material This second edition includes a new chapter describing the benefits of encouraging children to keep a journal of their personal reactions to books the value of writing in the books they own underlining writing in the margins and making a personal index and a variety of reading activities to help children interact with writers and their books Dr Wiener has also expanded and updated his fascinating discussion of recommended books for children of all ages complete with plot summaries Written in simple accessible prose *Any Child Can Read Better* offers sensible advice for busy parents concerned with their children's education *The Best in Children's Books* University of Chicago. Center for Children's Books, 1986-08 Designed to aid adults parents teachers librarians in selecting from the best of recent children's literature this guide provides 1 400 reviews of books published between 1979 and 1984 This volume carries on the tradition established by Zena Sutherland's two earlier collections covering the periods from

1966 to 1972 and 1973 to 1978 Her 1973 edition of *The Best in Children's Books* was cited by the American School Board Journal as one of the outstanding books of the year in education

Pigs Might Fly Dick King-Smith, 1984-06 A runt piglet born with deformed front feet is coached in swimming by a duck and an otter and when the pig farm is flooded becomes a hero

Children's Fiction Sourcebook Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992 this Sourcebook is a basic working tool for all those concerned with children's reading It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions The authors in the sourcebook have been selected on the grounds of importance popularity and current availability Author entries are arranged in alphabetical order and indexes provided by title series age range and genre Each entry consists of some background information and evaluative comment on style of the book a list of the authors books with publisher date and price and literary agent where applicable There is a suggestion of similar authors sequels related series and reader age range

Through the Eyes of a Child Donna E. Norton, Sandra E. Norton, Amy A. McClure, 2003 In its seventh edition *Through the Eyes of a Child* An Introduction to Children's Literature continues to be a visually stunning theoretically sound comprehensive overview of children's literature It focuses squarely on selecting and evaluating quality literature to share with children and guiding them to appreciate and respond to that literature This edition features multicultural literature and young adult literature in every chapter expanded coverage of biographies and informational books and over 100 new children's titles referenced throughout A children's literature CD ROM accompanies the book and contains bibliographic information for thousands of titles making it even easier to share quality literature with children and adolescents

The Bookseller, 1982 **Bookbird**, 1981

Sixth Book of Junior Authors & Illustrators Sally Holmes Holtze, 1989 This volume covers 238 authors and illustrators whose works span fiction poetry non fiction and picture books and represent a range of talents and viewpoints that exemplify the rich variety of children's literature Readers will find information on new and established authors Each entry includes a substantial bibliography of works by and about the subject many including websites A convenient cumulative index of all eight books in the series appears in this volume plus a list of major awards and citations that recognise excellence in literature for children and young adults The Sixth Book of Junior Authors Illustrators provides the following A list of major awards and citations that recognise excellence in literature for children and young adults Lively anecdotes important observations and an account of each writer or artist's career An essential tool for readers advisory with lists of works by each person profiled Intimate first person sketches authors and illustrators speak directly and naturally to young readers in many of the entries Photographic portraits and jacket illustrations that enliven the entries A perfect starting point for further research with lists of additional biographical sources Cross references to pen names which makes finding favourite authors easy A Cumulative Index guides readers to profiles in other Junior Authors Illustrators volumes
