**Henry Smith Williams**

## **Daily Life In The World Of Charlemagne The Middle Ages:**

**Daily Life in the World of Charlemagne** Pierre Riché,1978 Detailed account of the common people s daily life in the time of Charlemagne and how politics and military struggle affected them      **Daily Life in the Age of Charlemagne** John J. Butt,2002-11-30 Discusses daily life during the time of Charlemagne examining such topics as housing clothing food childbearing the economy leisure times and religion      *A History of the Middle Ages, 300-1500* John M. Riddle,2016-02-25 This clear and comprehensive text covers the Middle Ages from the classical era to the late medieval period Distinguished historian John Riddle provides a cogent analysis of the rulers wars and events both natural and human that defined the medieval era Taking a broad geographical perspective Riddle includes northern and eastern Europe Byzantine civilization and the Islamic states Each he convincingly shows offered values and institutions religious devotion toleration and intolerance laws ways of thinking and changing roles of women that presaged modernity In addition to traditional topics of pen sword and word the author explores other driving forces such as science religion and technology in ways that previous textbooks have not He also examines such often overlooked issues as medieval gender roles and medicine and seminal events such as the crusades from the vantage point of both Muslims and eastern and western Christians In addition to a thorough chronological narrative the text offers humanizing features to engage students Each chapter opens with a theme setting vignette about the lives of ordinary and extraordinary people The book also introduces students to key controversies and themes in historiography by featuring in each chapter a prominent medieval historian and how his or her ideas have shaped contemporary thinking about the Middle Ages Richly illustrated with color plates this lively engaging book will immerse readers in the medieval world an era that shaped the foundation for the modern world      *The End of the Middle Ages* Kelly Roscoe,2017-07-15 The Middle Ages were marked by economic and territorial expansion demographic and urban growth the emergence of national identity and the restructuring of secular and ecclesiastical institutions Readers will learn about the great achievements of the ninth through twelfth centuries a time when people were often categorized into three orders those who fight those who pray and those who labor Other notable events and phenomena examined in this authoritative history include the Carolingian renaissance the Crusades Gothic art and architecture the papal monarchy the birth of the university and the recovery of ancient Greek thought      *Converting the Saxons* Joshua M. Cragle,2023-10-06 Utilizing a crusading ethos from 772 to 804 AD Charlemagne King of the Franks waged war against the continental Saxons to integrate them within the growing Frankish Empire and facilitate their conversion to Christianity While substantial research has been produced concerning various components of Carolingian history this work offers a unique examination of Charlemagne s Saxon Wars as a case study for understanding methods of conversion used in the Christianization of Europe as well as their significance for subsequent conversion strategies employed around the globe *Converting the Saxons* builds on prior scholarly research is grounded in primary sources and is contextualized with a robust historical introduction Throughout the text

particular emphasis is given to Christian encounters with paganism and the way paganism was interpreted confronted and transformed Within those encounters we observe myriad forces of coercion and incentivization used in societal religious conversion demonstrating the need for a serious reconsideration of the standard narratives surrounding Christian missions This book provides a scholarly and accessible resource for students and researchers interested in transhistorical methods of conversion the history of Christianity Early Medieval paganism Colonial religious encounters and the nature of religious conversion **DAILY LIFE IN THE WORLD OF CHARLEMAGNE.
