Reardon, 2006 No one ever said fatherhood would be easy but sometimes the rollercoaster ride of parenting can be a bit overwhelming Whether it's misinterpreting a child's family portrait enjoying a homemade Sunday morning breakfast arguing with a moody teenager or simply watching the kids skipping through the rain fatherhood is full of ups and downs In his new book Love Never Fails Patrick T Reardon author of the popular Daily Meditations with Scripture for Busy Dads and Starting Out offers a collection of reflections based on the daily occurrences of fatherhood He celebrates the joys of parenting while acknowledging the sometimes exhausting antics of kids and in the end shows how a father's love truly never fails The reflections in Love Never Fails are accompanied by an inspirational quote from Scripture music or literature and a link to a website with practical advice on the issues discussed in the reflection It's a wonderful gift for fathers of all ages and experience levels

**Meditation and Communion with God** John Jefferson Davis, 2012-09-13 John Jefferson Davis summons the resources of traditional biblical meditation for a culture lost in the cloud He establishes the trinitarian view of God's real presence in Scripture and then ushers readers through three successive stages of meditation consummating in a method for deep assimilation of the Christian worldview
