*Walking with God Day by Day* by Martyn Lloyd-Jones, 2013-05-31. Be devoted to God with your heart and your mind. Do you look to devotional books for guidance as you seek to focus your heart on the Lord each day? If you do, you know that too often devotional material fails to engage the mind in addition to the heart. Touching stories replace the very source of lasting encouragement and strength we need each day: the truth of the Word of God. But this is never true of Dr. Martyn Lloyd Jones's writing. *Walking with God Day by Day* offers brief daily devotionals that engage the mind and the heart. You will not just find spiritual nourishment in its pages; you will learn about God and the great themes of the Bible. Robert Backhouse has compiled excerpts from choice passages in the writings of Dr. Lloyd Jones according to monthly themes. By reading this devotional, you will grow in your understanding of God and learn to apply the truth of His Word day by day. *Daily Doses of Jesus* James Frederick Ivey M.D., 2017-05-12. *Daily Doses of Jesus: A Year of Devotionals on the Lord's Words* is a book of 366 devotionals, one for each day of a leap year. It is designed for adults and older children. Except for three psalms, its scriptures consist of all of the words of Jesus and nothing else from all four gospels in parallel. Dr. Ivey has drawn from several decades of studying relativity, quantum physics, Plato and history, particularly that of the Jews, in order to compose his commentaries. He believes that they contain many novel, though not radical, ideas. The chief themes of this book are the support of science for the existence of God, the truth of the Bible, and the validity of the Christ. It also shows that almost all of the greatest thinkers of

history have been theists and that the unique and heroic history of the Jews can only mean that their God is the truth
