

FORGIVENESS MEDITATION

Heal your own heart

- Find a comfortable and quiet place
- Ask God or a higher power you believe in for help in forgiving
- Visualize the person you would like to forgive. See them in a different role/light. They are someone's child, a parent, a daughter, another human being wanted to be loved.
- Choose to drop the pain and forgive by saying, "I forgive..."
- Thank God and yourself for being open to forgiveness

Daily Meditations To Open Your Heart To Forgiveness Healing Year:

One Day at a Time David M. Sloan, 2011-08-17 *One Day at a Time* is an inspirational story of David Sloan's battle against MS. This book is about using hope and attitude as weapons to fight through the mental gymnastics and roadblocks that MS created as Sloan's disease progressed. It features a step by step description of searching for answers that resulted in finally finding a label for his disabling symptoms. Sloan's life as a successful investment banker always in control gave way to learning that health and family were much more important than money and power when he finally retired on long term disability. His journey included traveling alone to Brazil where he spent time with a spiritual healer. This experience strengthened Sloan's resolve to never give up and use attitude to his advantage. Whoever he knows or meets has never met anyone with a stronger positive attitude. One can only understand his strength by learning about a similar battle with MS fought by Sloan's mom who spent thirteen years in a nursing home yet never complained.
