

Beginner Remote Work Productivity For Women

Theodore Gaillard Thomas

Beginner Remote Work Productivity For Women:

Beginner's Guide to Remote Work Brandi Starks, 2023-07-01 So you're tired of the normal 9-5, the commute, the people, the expenses, I get it. I was there once too. I know how hard it can be to have no clue where to start. This book is about how I found a way to master remote work and how to really make the decision on if this is the right step for you. You'll find out about different kinds of remote work, tips and tricks to be more efficient, you'll have resources that actually work and more without all the fillers. This book was created to help people like my friends and family who have come to me done with the in-person work environment needing real change. The Beginner's Guide to Remote Work is exactly the same information my loved ones receive from me. I guess that makes you one of my loved ones now too.

Critical Perspectives on Gender Equality Policies and Practices for Staff in Higher Education Sarah Barnard, Gail Crimmins, 2022-09-13

Work Made Easy: A Guide to Success in Hybrid Environments Parthajeet Sarma, John Hoffmire, Raj Krishnamurthy, 2024-03-04

A WELL RESEARCHED AND ERUDITE DISCUSSION OF WORKPLACE TRANSFORMATION Feeling lost in the hybrid work maze. Struggling to keep up with the rapid pace at which AI is developing. Still shaken from the dramatic changes that the COVID-19 pandemic wrought. You are not alone. The modern workplace is a blend of the digital and the physical, with employers and employees seeking a way to balance the two. As millennials and Gen Z, with their drive for experience, dominate these spaces, a change of mindset is needed. And fast. Work Made Easy envisages a more relatable work environment, one that works across employee, employer, age, and physical/digital divides. As Parthajeet Sarma, John Hoffmire, and Raj Krishnamurthy think through the ways in which the gap between the ease of virtual platforms and the human touch of physical offices can be bridged, they unlock potent secrets. Written as much for organisational leaders and workplace enhancement consultants as it is for employees, this book is loaded with practical advice. There are tips on, among other things, how to seamlessly navigate the hybrid world, how to embrace AI as a helpful ally, and how to make the workplace experience your own. Undergirding all of this practical advice is the authors' five-point action plan: research, recognise, ideate, pilot, and implement. A thriving, adaptable workplace, high employee satisfaction, and higher efficiency. Work Made Easy lays out actionable steps towards these goals of true workplace transformation.
