Blog Writing* Ken Bradford,2014 Delivering quality web content is an indispensable part of online marketing Content  
marketing is the foundation of brand building whether you are a freelance writer or a large corporation Effective content  
marketing is much more than broadcasting information It s just a way of getting the conversation started The goal of web  
content writers must be to address an audience directly and personally We must be passionate about helping people acquire  
knowledge solve problems and achieve their goals For our content to have any impact it must deliver unique value to our  
readers Writing Better Web Content helps you analyze the quality in web content It helps you establish your voice in writing  
which is a critical part of creating and sustaining a brand or service It explores ideas to help you make better connections

with your audience better optimize your articles for search engines and better promote your hard work in social media networks There are certainly a lot of books written about writing better web content The problem is that a lot of these books just give instructions and don't really go into any detail about how to apply those instructions to get better results The authors of Writing Better Web Content have not only provided ideas and techniques to help you become a better freelance writer but they have made suggestions as to how to apply these principles to make your passion for writing more enjoyable and more profitable

**Going Viral With Your Blog** Justin Dinning, 2021-03-30 Writing blogs is absolutely becoming a global trend today as there are many teenagers joining this race to draw people s attention And to illustrate there are many famous bloggers who are making money by writing blog posts every day and they just started with their simplest thoughts You are a beginner and you don t know how to write a blog You are struggling that what content to create and what will attract people You are out of inspiration and need a tool to help you out This book is a good choice for you Here s what s packed in this how to guide Three core ways to INSTANTLY generate content ideas with ease Ditch the content overwhelm and never ever struggle with what to write again 5 types of content that will inch your subscriber towards becoming a buyer

and sell your products and services with ease And why you need ALL five The fastest way to determine your BRAND VOICE so that you create content that fits you like a glove No wishy washy ideas No guessing 8 MUST NOT neglect elements that either make or break your blog posts and how to optimize each of them The trap that bloggers and solopreneurs fall into with producing content and how ways to HOOK more eyeballs on your content Imagine for a minute how your blog and business would change if you NEVER run out of blog post ideas You know exactly what to create when and what results in i ll drive Buy this book now and go viral Creative Writing and Content Marketing Judge J.,2017-03-09 All businesses are looking for the edge when it comes to advertising their business and writing content is an excellent way to achieve just that it s known as Article writing Creative Writing Content Marketing is unfortunately a skill many people just don t have It s difficult for most people to come up with fresh new ideas to turn their content into powerful customer pulling and impulsive buying visitors For example articles can be written for Websites Blogs Newsletters Freelance Writing and Magazines Articles can cover a variety of different subjects like how to write articles health articles business articles science articles news articles articles of incorporation psychology articles sports articles current events articles biology articles scientific articles magazine articles articles for kids fitness articles and nutrition articles etc In fact if you can think of a subject an article can be written on it Articles have been the life blood of business all over the world and over the years there must have been billions of pages of text written by businesses websites and blogs alike Unfortunately most are nothing more than rewritten articles that was written by someone else or articles of spun articles This practice as left the Internet world full of articles advertising paraphernalia with most being no more than cloned content which leaves their readers bewildered fed up and emotionally unmoved It would seem that writers are now being misled by a belief that their articles editorials and content marketing must be wittier or cleverer than their counterparts Instead of writing for the people who will be consuming their content it must now reflect their ego get them noticed in order to secure future employment Unfortunately most of the time their cleverness ends up camouflaging the real message their creative writing is trying to deliver missing the point and failing to engage the reader Around and around they keep going stuck in a loop they can no longer break spilling out the same old garbage If you have ever experienced writer s block or become bored with writing the same old dribble then it s time to break out and start writing your creative writing in an imaginative exciting and new way There are some hard fast rules to creative writing and content marketing that must be adhered to when writing your content They are simple and easy to implement and once you understand them and incorporate them into your daily writing your writing and responsive count will dramatically improve These rules and a lot more information on the subject of creative writing can be found in the pages of this in depth and comprehensive book Creative Writing Content Marketing You will learn How to target your traffic it s a waste of time writing the best content if no one is going to read it What to do if you get writer s block What should be written into the very fabric of every article you write What you absolutely must do before you submit your content Why it s a sin to

keep your best points or information to last Why you must absolutely Proofread all your content before making it public And so much more Creative writing Marketing Content is a must read for anyone who takes their business seriously full of invaluable information tips ideas and help to create some truly dazzling content for your business It really doesn't matter what business you are in Websites blogs shops newspapers magazines TV radio they all must write content to help promote their business and to Stand Out from the crowd Don't end up writing the same old crap write content to stimulate your reader's imaginations and eventually buy [Freelance Blog Writing: Writing Better Web Content](#) Ken Bradford, Dr. Deborah C.
