where every person in the organization not only leadership is committed to delivering exceptional results It s a matter of
creating an environment where individuals feel empowered to innovate problem solve and continuously improve Excellence is
one of those words that you hear thrown around a lot If we are not careful it has the potential to turn into a buzzword of sorts
However excellence is a work ethic and a leadership philosophy It s about having high standards holding ourselves
accountable to them and building a culture where individuals thrive But let s get real building a culture of excellence is not
simple It requires commitment consistency and sometimes a willingness to disrupt the status quo Leadership by example
When leaders walk their talk on a daily basis it sets a ripple effect for the rest of the organization Consider excellent leaders
you look up to whether in business sports or the nonprofit sector They motivate others not only with what they say but with
what they do An unstoppable quest to get better Successful companies don t accept good enough They say How can we do
this better and implement systems to monitor and gauge improvement A strong dedication to customer service Internal
departments or external customers a culture of excellence focuses on providing value and surpassing expectations An
engaged motivated workforce When individuals feel appreciated and know that they re working toward the greater good they
show up to work as their best selves Leadership by example When leaders walk their talk on a daily basis it sets a ripple
effect for the rest of the organization Consider excellent leaders you look up to whether in business sports or the nonprofit

Sangeeta Kampani,2024-01-17 What happens when women dream to achieve their highest potential What are the invisible
barriers that come their way as they break the glass ceiling What kind of struggle awaits them when they marry and raise
babies How tough it is for them to prove themselves in a world that privileges men She is Shabnam tries to look into these
key concerns by following the story of three generations of women their indomitable will their gentle strength their
unstoppable ways their intuitive bond and the small changes that are creeping in albeit slowly as more and more women join
the workforce altering set norms changing paradigms Shabnam is at the centre of the story that goes back and forth to

fathom the forces that shape her into the woman she is She is a new age woman earnest ambitious feisty trying to surge ahead stroke by relentless stroke Yet she is no rebel As she hits mid thirties and is established at her work she itches to have a companion to share life with and experience motherhood Shabnam s quest is not for a world where men and women are alike or even equal but a world where a vision of mutuality is the ethos shaping men women interactions The book is not about war of genders it is about conciliation of genders About pluralities and possibilities Meet the very versatile Shabnam as she breaks her own mould to embody the essence of a woman in command Unbothered moisturised happy in her lane focused flourishing
