*Extraordinary Partnerships* Christine Henseler, 2020-05-01 This inspirational and hopeful collection demonstrates that the arts and humanities are entering a renaissance that stands to change the direction of our communities Community leaders artists educators scholars and professionals from many fields show how they are creating responsible transformations through partnership in the arts and humanities The diverse perspectives that come together in this book teach us how to perceive our lives and our disciplines through a broader context The contributions exemplify how individuals groups and organizations use artistic and humanistic principles to explore new structures and novel ways of interacting to reimagine society They refresh and reinterpret the ways in which we have traditionally assigned space and value to the arts and humanities

*The Rise of the Algorithms* John M. Jordan, 2024-03-19 The meteoric rise of online video is reshaping the competition for human attention The Rise of the Algorithms argues that this new technology has changed the way we interact with others our relationships with public institutions and our very own behaviors and psyches In tracing the origins and evolution of online video John M Jordan examines the mechanics and the ethical stakes of online video platforms especially YouTube and TikTok but also others such as Twitch Tracing the use of algorithms pioneered by Facebook and Google and so successfully exploited by TikTok s corporate parent ByteDance Jordan shows how these platforms now engineer human behavior with consequences for culture politics and identity Jordan argues that we are at an inflection point Until now we have proved as a society ill prepared or unwilling to address such problems as the power of digital platforms the personal cost of viral celebrity the invasion of privacy and the proliferation of disinformation The Rise of the Algorithms combines this urgent assessment with a clear eyed discussion of present challenges and recommendations for reclaiming our online futures A valuable resource for understanding the transformations that have been and will be brought by YouTube TikTok and similar platforms Jordan s timely book is a vital work for anyone who uses the internet and especially for policy makers technologists communication and media specialists and researchers who have a direct hand in determining the future of our online world
