Generational experts and authors of Generation Z A Century in the Making Corey Seemiller and Meghan Grace present the perceptions, motivations, and preferences of various generational cohorts and share how those shape individual behaviors, communication, and collaboration, as well as wider organizational structures and norms. They offer guidance for how to maximize productivity and relationships to navigate dynamics across generational cohorts. Generations in the World of Work offers employees, managers, and organizational leaders guidance for maximizing productivity, relationships, wellbeing, and engagement across generational differences in order to create thriving workplaces that value and leverage each person's strengths. **Summary of Leading the Workforce of the Future** SellWave Audio, 2025-11-14 Leading the Workforce of the Future offers a clear and practical guide for leaders navigating a workplace defined by rapid change, digital transformation, and the expectations of multiple generations. As organizations evolve, leaders must evolve with them, developing deeper self-awareness and the ability to connect with teams whose needs and motivations differ from traditional models. This book lays out the skills and mindsets needed to stay relevant, motivate people effectively, and build cultures that thrive in an era of constant innovation. The author shows how successful leadership today depends on adaptability, emotional intelligence, and a genuine commitment to developing others. Readers learn how to strengthen their influence by becoming the kind of leader who inspires, trust, accelerates employee growth, and encourages creativity. The book also highlights the importance of reskilling the workforce, fostering an environment where learning never stops, and ensuring teams are equipped for emerging challenges. Alongside cultural transformation, the book emphasizes cultivating an innovation mindset, one that embraces experimentation, curiosity, and collaboration. By aligning leadership decisions with purpose and long-term vision, organizations can create workplaces that attract and retain top talent. Through actionable strategies and real-world insights, Leading the Workforce of the Future helps leaders prepare for the changes already reshaping business today, ensuring they meet the moment with confidence, clarity, and impact. *Human Resource Information Systems* Richard D. Johnson, Kevin D. Carlson, Michael J. Kavanagh, 2025-01-27 Human Resource Information Systems: Basics, Applications, and Future Directions is a one-of-a-kind book that provides a thorough introduction to the field of Human Resource Information Systems (HRIS) and shows how organizations today can leverage HRIS to make better people decisions and manage talent more effectively. Unlike other texts that overwhelm students with technical information and jargon, this revised Sixth Edition offers a balanced approach to dealing with HR issues and IT/IS issues by drawing from experts in both areas. Authors Richard D. Johnson, Kevin D. Carlson, and Michael J. Kavanagh cover the latest research and developments in information security, artificial intelligence, cloud computing, social media, and HR analytics. Numerous examples, best practices, discussion questions, and case studies make this book the most student-friendly and current in the market. *Digital technologies in agriculture and rural areas* Food and
