Krow,Andrew Wommack,2004 Complete Discipleship Evangelism Course ,2007 **The Complete Discipleship Evangelism** Andrew Wommack,Don W. Krow,2012 **Conversion and Discipleship** Bill Hull,2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don t need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow Let's Be Blunt Evan Oxner,2020-05-31 Is the point of following Jesus simply getting to heaven Do we put our faith in God and just wait for the day when we get to leave this world behind and find peace Is Christianity nothing more than the practice of staying faithful long enough that we are on the right side of the fence when we die Something just doesn t seem right about that The God that we see in the Exodus is bigger than the gods of the world The work of Jesus changes more than just one s eternal final destination The practice of discipleship and following Jesus is more meaningful than simply keeping us safe Maybe the questions you ve asked or the problems you ve observed with the Church don t reveal doubts or unfaithfulness Maybe they express a craving for what God really wants to do that goes beyond the common culture and teachings of the Church It s not that the Church is wrong in everything it says or teaches but there is something more important we need to embrace for the rest of it to actually makes sense Christianity isn t about checking boxes and going to heaven it s about being restored to the image of God World Christian Trends Ad30-ad2200 (hb) ,2001

Discipleship Evangelism Andrew Wommack Ministries, Incorporated, 1999 *Making Disciples in a World Parish* Paul W. Chilcote, 2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction *Christian Discipleship and the Local Church* Steve Urick, 2012-11 When a person becomes a Christian the ongoing work of discipleship continues The intake of sound Bible doctrine into the soul is vital in order to grow spiritually strong and mature This is where the crucial role of the local church comes in Every believer needs to be taught by qualified leaders evangelists pastor teachers etc and be ministered to by various other gifted members of the body of Christ Christian Discipleship and the Local Church gives basic knowledge to find a good church discover one's spiritual gifts and advance in the Christian life It also equips Christians with concise and easy to read material to use when doing the life changing work of discipling others It can even be used for church planting or strengthening existing churches *Discipleship that Fits* Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each

context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today
