Discipleship For Ordinary People:

Everyday Discipleship for Ordinary People D. Stuart Briscoe, 1988 **Ordinary Discipleship** Jessie Cruickshank, 2023-05 God wired your brain for transformation Jesus told his followers Go and make disciples of every nation but a lot of us stop before we start because we feel like we don't have what it takes But Jesus didn't ask spiritual superstars to make disciples He invited ordinary people into the adventure of following Him Jessie Cruickshank learned how to be a disciplemaker in the wilderness When she connected her training in outdoor adventure ministry with her Harvard degree in neuroeducation God showed her a pathway for ordinary disciples of Jesus to experience profound spiritual growth You can help someone choose to go somewhere they have never gone before and to be brave enough to choose to change You can model a new way of living And you can share your own hard fought wisdom on the journey of faith Jessie Cruickshank will help you navigate the terrain be inspired by the vast sky and move toward the hope to which you are called With Joseph Campbell's iconic hero's journey framework as a guide you'll discover how a spirit of adventure brain science and passionate faith can equip you for the greatest adventure of all Discipleship in the Postmodern Age Daniel L. Kohn, 2020-09-04 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today's disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church True Discipleship John Koessler, 2003 In True Discipleship John Koessler provides a straightforward presentation of the characteristics Jesus required His disciples to possess As he offers teaching on the practice and responsibility of being a disciple readers will be stretched in their thinking and encouraged in their journey *Discipleship for Ordinary People* Stuart Briscoe, 1994-12-01 **Worship, Ritual, and Pentecostal Spirituality-as-Theology** Martina Björkander, 2024-02-06 Vibrant worship music is part of the Charismatic liturgy all around the world and has become in many ways the hallmark of Pentecostal Charismatic Christianity Despite its centrality scholarly interest in the theological and ritual significance of worship for pentecostal spirituality has been sparse not least in Africa Combining rich theoretical and theological insight with an in depth case study of worship practices in Nairobi Kenya this interdisciplinary study offers a significant contribution to knowledge and is bound to influence scholarly discussions for years to come The book is a must read for anyone interested in Pentecostal worship ritual and spirituality **Discipleship According to the Sermon on the Mount** Daniel Patte, 1996 Daniel Patte begins this meticulous androcritical and multidimensional study of discipleship in the Sermon on the Mount by explaining that he chose discipleship

as a topic with the hope of facilitating Christian discipleship in the present global context He underscores discipleship as ethical practice using the Sermon on the Mount as his focus because it represents one of the main texts upon which European American Christians ground their view of discipleship **The Disciple Maker's Handbook** Bobby

Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts Master Discipleship Today Don Hawkins, 2019-06-23 Long term pastor and radio host Don Hawkins

explains how the twenty first century tool of Christian Life Coaching can facilitate Jesus s first century mandate to make disciples Based on Jesus s prayer in John 17 this book explores and applies the six steps the Lord carries out to guide His followers Master Discipleship Today is a practical how to manual for pastors group leaders and individual Christians who want to lead others to a closer walk with Christ and further their own growth in the faith **Disciples** Kenneth R. With only a little faith anyone can change the world When everyday people follow and obey Jesus extraordinary things happen Lives are transformed Communities become beacons of hope But with so many Christians why is the world still in such sad shape Why isn t the church living up to its full potential In *The Kingdom Unleashed* authors Jerry Trousedale and Glenn Sunshine show how we as Christian disciples can live in a kingdom building way When we follow the Great
