**Breakthrough** Ken Braddy, 2022-08-16 A church without discipleship is just a gathering It is an important distinction that many pastors and leaders have known for years In leading their churches well pastors have provided a trustworthy curriculum enlisted gifted teachers and have made sure to offer times for members to gather and fellowship with each other However amid all these gatherings one question kept popping up among leaders How do we know if what we are doing is working Over the years leaders have tried to answer this question with numbers If people attended these groups and seemed to enjoy the material then they must be finding success Ken Braddy the director of Sunday school for Lifeway Christian Resources felt that there had to be a better way to measure what matters In Breakthrough Ken guides leaders to measure their groups by observing if they are discipling each other if they are caring for others in and outside of their group and if they are engaging in acts of service Breakthrough offers a new scorecard for leaders to not only track the progress of their groups but measure their success Becoming Disciples Through Bible Study Robert Schnase, 2005 Stomping Out Depression Neil T. Anderson, Dave Park, 2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a sound mind Now the Breaker Youth Edition shows teens how Jesus can change the way they think and the way they live **After You Drop Them Off** Jeramy Clark, Jerusha Clark, 2012-06-20 Maximize Your Student's Church Experience More and more children and teenagers are becoming involved in church They find that youth ministries are a safe place to make friends and have fun and a wonderful way to find spiritual support and insight in a confusing world But if you're a parent of a student in a youth ministry you may have some questions What actually goes on in group meetings How trustworthy are the leaders How can I be more informed or more involved What if I disagree with a leader How can I support the leaders more effectively How can I help make my student's experience with church as powerful and positive as possible In **After You Drop Them Off** youth leader and author Jeramy Clark provides trustworthy answers to your questions along with practical suggestions biblical support and real life parents' comments and stories **Disciple I Becoming Disciples Through Bible Study: Teacher Helps** Various, 2010-09-01 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders The study gives the Old and New Testaments equal time emphasizing the wholeness of the Bible as a revelation of God DISCIPLE draws upon the work of scholars the personal Bible reading and study of the participant and dynamic group discussion to aid understanding of the Bible The first study in the program is DISCIPLE Becoming Disciples Through Bible Study a thirty four week overview of the entire Bible Commitment and Time Involved Three and one half to four hours of independent study each week 40 minutes daily for leaders and 30 minutes daily for group

**Subject Guide to Books in Print** ,1997 Real-Life Discipleship Tom Cheshire,Tom Gensler,2019-07-27

The one BIG question How do you disciple another man Men in thousands of churches across the world know there is more to faith than just attending church they know there is the potential to walk in Christ s image live in Christ s image and work to spread Christ s word But the one big question they are all asking is how The Spirit of God is compelling them to seek the answer This book is the gateway to answering that question The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions What does it mean to be a godly man and how can I become one The Spirit answered by sending men into their lives to disciple them not with disdain or judgment but with love and compassion a gospel centered focus These men walked alongside them in the messiness of life helping them to apply Biblical truths and spiritual disciplines in a challenging world From their own personal journeys out of the abyss the authors have written this book Here you will learn to BUILD a one on one relationship CREATE a culture of men who support each other LOOK TO CHRIST and find what obstacles are blocking you TRANSFORM your life seeing the Gospel advance through the discipling of other men Real Life Discipleship The Ordinary Man s Guide to Disciple Making offers a gateway from confusion to clarity from struggle to transformation Study Guide and Workbook for Spiritual and Church Renewal James M. Dawsey,Sharon E. Wright,Scott Sikes,2025-02-10 The decline this century in church attendance has been pronounced And polls show disconcerting ignorance about religious matters even among churchgoers Is there a path to spiritual and church renewal And what will become the shape of American Christianity this century As an accompanying volume to James M Dawsey s Handbook for the Christian Faith this workbook offers a summary of essential beliefs and practices of the faith identifies significant terms names dates and events in church history lists themes and materials to be learned provides exercises and suggests additional readings to enhance understanding The materials will prove of interest to all wanting to understand the role played by Christianity in western culture and to decipher the chaos of present day American Christianity But the Study Guide and Workbook for Spiritual and Church Renewal will be especially useful to Christians working through the Handbook for the Christian Faith reflecting more deeply on the meaning of the Christian heritage and seeking to discern a right path for contemporary Christianity The exercises in this workbook extend beyond understanding Christianity as a religion to readers
