*Gospel Discipleship Congregation Guide* Michelle J. Morris, 2020-03-31 Each congregation has a unique mission field Several tools for developing disciples and for engaging in discipleship are available to churches however the resources assume that the churches using them are similar to the church that created them With Gospel Discipleship individuals and churches learn how to engage in self reflection which then defines a path that fits their context The discipleship path for each individual disciple is assessed and determined through the Gospel Discipleship Participant Guide while this Gospel Discipleship Congregation Guide guides the implementation of the program and assesses the discipleship path for the congregation as a whole Therefore the program leader s needs the congregation guide while individual participants need their own participant guide With Gospel Discipleship churches can identify a pathway for discipleship applied from one of the four Gospel storytellers Matthew Mark Luke and John Each had a distinct approach to discipleship which can be applied to a given church s identity vision and mission As disciples are encouraged by the church to step beyond the door and engage the needs of people they can be sent forth confidently with an awareness of personal unique gifts and insights into the actual mission field where they participate with God in changing the world

**Text-Driven Discipleship, Part 1: the Basics** Anthony Svajda,2020-03-14 Why Another Discipleship Book Let s face it There are a ton of discipleship books out there on the market Why in all of Christendom do we need another discipleship book Let me give you a few reasons why this discipleship book is important and how it is different from any other discipleship book you will get 1 Discipleship Is Important When a person reads the New Testament discipleship is written all over it Whether Jesus is leading his disciples Paul is making disciples or the church is being called to make disciples discipleship is there Discipleship in the New Testament is done in a small group or one on one with one believer leading another to know and follow God This book is designed to do that This is not another Bible study or life guide This is not a preaching series to work through This book is a guide for one believer to lead another in order to help them know and follow God through studying the text of the Bible 2 God s Word Is Important When you look at all the different materials labeled as discipleship you can be overrun with options Some formats are DVD driven some are book driven others are conversation driven But the real basis of teaching people to know and follow God is God s Word Therefore this resource is Text Driven Discipleship The guide is designed to help a disciple maker lead their disciple to discuss and understand God s Word and to help the disciple begin to study God s Word for themselves 3 God s People Are Important When Christians look at the church they should see a group of people committed to making disciples Making disciples is the Commission of every Christian and the marching orders of the Church Matt 28 18 20 Thus this resource was written in order to help Christians do what they were called to do This guide is to help God s people teach the Bible to others

Gospel Discipleship Participant Guide Michelle J. Morris, 2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this *Gospel Discipleship Participant Guide* while the *Gospel Discipleship Congregation Guide* serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in *Gospel Discipleship* can clarify the path they need to walk Some people love to go on mission trips some people really thrive

learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow
