## **Discipleship Helping Other Christians Grow:**

**Disciples Are Made Not Born** Walter A. Henrichsen, 2011-09-01 Make Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple making is challenging to be sure But as we are faithful to Christ s Great Commission we ll experience the fulfillment that comes from being faithful to the life mission to which God has called us *Discipleship that Fits* Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context *Discipleship That Fits* shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today

**Growing One Another** Bobby Jamieson, 2012-04-30 Discipleship was one of the central themes of Jesus teaching yet it is not a major emphasis today for many churches. This short study guide explores the Bible's teaching on discipleship and covers such topics as the need for discipleship, the demands of discipleship, and the enemy of discipleship. With discussion questions at the end of each chapter, groups will work through guided discussions together as they learn about the centrality of discipleship in the Christian life. A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.

*Growing Up* Robby Gallaty, 2013-11-11 If you are serious about being a disciple of Jesus Christ, really, truly serious, a discipleship group can help you achieve that goal. Jesus established this model for us by forming and leading the first discipleship group, and it worked. The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ. Discipleship groups can create an atmosphere for fellowship, encouragement, and accountability, building an environment where God can work. In *Growing Up: How to Be a Disciple Who Makes Disciples*, Robby Gallaty presents a practical, easy-to-implement system for growing in one's faith. This guide offers a manual for making disciples, addressing the what, why, where, and how of discipleship. D Groups, as Gallaty calls them, can teach you and others how to grow your relationship with God, how to defend your faith, and how to guide others in their relationships with God. *Growing Up* provides you with an interactive manual and resource for creating and working with discipleship groups, allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ.

**Follow Me** J Lee Grady, 2022-02-01 God has placed the next generation into our hands. Who will raise them up if the church does not? This book will teach you how to effectively mentor the next generation of Christians. You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God. If we want to change the world with the gospel, we must stop focusing on crowds and events and reclaim Jesus' method of relational discipleship. Jesus' final mandate to His followers was "Go and make disciples," yet today most of the church is oblivious to what discipleship is, and few Christians are actually investing their lives in helping other believers grow spiritually. A vast paradigm shift is needed in the church today in order to reach the next generation and advance the gospel in the twenty-first century. In *Follow Me*, J Lee Grady uses many New Testament examples as well as his own experience in mentoring dozens of young

leaders and a clear strategy for discipling others that can be used by individuals and churches Grady makes a compelling case that Christianity was never intended to be a spectator sport where huge crowds sit and listen to one preacher on a Sunday Jesus intended all believers to engage in ministry and this includes the work of discipling other believers So many Christians today live in a box of limitation We must understand that the Christian life is an adventure of the Holy Spirit working through them This book will help believers get out of that box and begin the exciting adventure of spiritual multiplication

Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in

each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you
