Discipling Cycle Grades 1012 Discipleship For Churched Youth:

Books in Print Supplement ,2002   **The Discipling Cycle, Grades 10-12** Kimberly Harrison,Andy Harrison,1995-08-01   **Handbook for Youth Discipleship** ,1988   *Everyday Disciples* Chris Wilterdink,2016-07-01 Everyday Disciples Covenant Discipleship with Youth by Chris Wilterdink resources pastors youth leaders and youth groups with information and planning materials related to Covenant Discipleship and accountability practices Covenant Discipleship encourages youth to connect with Christ and one another through mutual accountability It also encourages a networked support structure for living in the world as Christ followers   **The Skinny on Discipleship** Katie Edwards,Ken Castor,2015-05-28 Life shaping discipleship isn t a random event It s an intentional adventure and teenagers need someone who s walking with them on the journey and helping them grow as a disciple of Jesus Christ Jesus modeled this for us through relationship with his closest disciples He spent time with them shared life with them taught them to obey shared experiences with them gave them direction and promised to be with them This is what we are called to as youth workers the model for us to follow The Skinny on Discipleship will become a practical guide in your role as a disciple maker You ll discover innovative insights and powerful encouragement for knowing Jesus loving him and placing him at the center of your life and then helping teenagers along on that same journey When it comes to discipleship there are no shortcuts there s no handbook for teenagers and there s no timeline on what it will take to help each teenager draw closer to Jesus But you can follow the model of Jesus rely on the truth that he s with you and remember that ultimately he loves teenagers even more than you do   **The Discipling Cycle** Kimberly Harrison,Andy Harrison,1995-08-01   *Awakening Youth Discipleship* Brian J. Mahan,Michael Warren,David F. White,2008-01-01 Youth ministry has increasingly lost touch with its origins in the way of Jesus and the social practices intrinsic to Christian discipleship and has instead substituted layers of Jesus talk middle class values fun and games and doses of warm fellow feeling Awakening Youth Discipleship articulates the history of this domestication of youth and ministry Mahan Warren and White tell a story of the ways in which our society has colluded to shape a domesticated adolescence The authors believe a Christian response to this challenge must be multilevel addressing the problem at three levels society church and individual The authors propose reclaiming practices of discernment that both engage congregations in social awareness and involve individuals in discerning fuller vocational opportunities than those allowed by popular cultural norms   *Go Ye* Jack Adams,2020-04-05 Go Ye A 27 week intensive discipleship course The word disciple is grounded in discipline so we should have a disciplined approach in teaching people how Jesus reacted in every situation People need to be taught to live and breathe the Word of God We can only teach them by spending time with them and immersing them in the Word of God in a systematic approach What is discipleship Too often new believers come to Christ and don t receive the mentoring they need to discover how to live the abundant life Christ offers They can easily become disillusioned with the Christian life simply because they don t connect with the power Christ offers Christ taught us

to not only reach the lost but to teach the lost Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost teaching them to observe all things whatsoever I have commanded you And lo I am with you always even unto the end of the world Utilizing modern day parables Jack Adams helps readers connect with Christ s commands As you work through the Go Ye course of study you ll learn to clearly and effectively explain what you believe and why you believe it Each lesson in the workbook introduces a topic teaches a principle and invites you to discover the truth in God s Word You ll benefit from working through Go Ye if You desire to find out if the Jesus of the Bible is real You want to understand God s kingdom better You desire to articulate what you believe You want to be able to lead others to Christ You want to disciple others You simply want to know Jesus better REVEREND JACK ADAMS is the founder of Matthew 2819 Ministries which supports gospel crusades and short term missions around the world His first book Go Ye a 27 week intensive discipleship course has trained hundreds of believers in the foundational truths of the Christian faith His second book You Are Now Free to Walk with God helps new believers understand how to embrace their newfound faith and fully experience their new life in Christ Adams lives in Texas where he serves his local church and community   *Disciple* ,1988

Mahan,Michael Warren,David F. White,2008 Youth ministry has increasingly lost touch with its origins in the way of Jesus and the social practices intrinsic to Christian discipleship and has instead substituted layers of Jesus talk middle class values fun and games and doses of warm fellow feeling Awakening Youth Discipleship articulates the history of this domestication of youth and ministry Mahan Warren and White tell a story of the ways in which our society has colluded to shape a domesticated adolescence The authors believe a Christian response to this challenge must be multilevel addressing the problem at three levels society church and individual The authors propose reclaiming practices of discernment that both engage congregations in social awareness and involve individuals in discerning fuller vocational opportunities than those allowed by popular cultural norms Awakening Youth Discipleship is a terrific troublesome hopeful book offered with characteristic thoughtfulness by three prophets in our midst Drawing from decades of

teaching and research in youth ministry Brian Mahan Michael Warren and David White make a provocative case for youth ministry that practices as Daniel Berrigan puts it the upside down hermeneutics of Jesus Christ Awakening Youth Discipleship topples many of youth ministry s most sacred cows and offers strategies that help young people and the rest of us resist the deformative power of consumerism These views are seldom voiced in youth ministry but our ability to reflect Christ to and with young people absolutely depends upon hearing them Kenda Creasy Dean Associate Professor of Youth Church and Culture at Princeton Theological Seminary and author of Practicing Passion Youth and the Quest for a Passionate Church Eerdman and Youth and the Church of Benign Whatever ism Oxford Brian Mahan Mike Warren and David White invite us to engage in an increasingly rare and dangerous spiritual practice thinking Why do we define teenagers by what they consume Why does youth ministry feel like a finishing school for the middle class Who profits from keeping teenagers nice Where would Jesus shop Like Jesus the authors walk us up the steps of the sacred temples tune our ears to the clink of the money changers and then show us how easily the tables are flipped Awakening Youth Discipleship is a necessary read if youth workers are going to expose the sanctified greed passionate advertising and soulful materialism that keeps all of us young and old from entering the freedom of Jesus Mark Yaconelli author of Contemplative Youth Ministry Brian David and Michael have given us a real gift a pearl of great price As a father a teacher and a consultant I only wish I had this book years earlier If as Rahner said the church of this century would be a church of mystics these three guides prove that they are the right people to help us navigate the culture tricks so that we re mindful of pouring new wine into new wineskins This book is a significant contribution for all interested in formation Christian discipleship and everyday life This book is also a great read It made me smile often Michael J Downey Australian Youth Minister author of Digging Deep Fostering the Spirituality of Young Men For those of us in youth ministry this book offers a mirror of sorts And as with any good mirror it offers us an opportunity for reflection To be honest if you read it carefully and with an open mind you will probably be forced to see some facets of the current youth ministry identity that aren t very flattering They write honestly thoughtfully and without condescension but in these straightforward essays I heard the sounds of some sacred cows being butchered the tough questions of a thorough Cross examination yeah that Cross and what I believe were the sounds of my chair as I squirmed a bit The writer of Proverbs reminds us that Faithful are the woun   Learning to Follow Jesus Daniel McNaughton,Jon Wegner,2020-07-01 LEARNING TO FOLLOW JESUS will help you develop seven essential attributes of a disciple of Jesus Christ You will learn how to become a fully devoted follower of Jesus by reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach   The Disciple Experiment Mike Yaconelli,2003 The student journal for The Disciple Experiment will help lead students through a 30 day faith deepening journey that will toughen and mature their walks with God a journey that will help them put their faith into action   **Lessons for a Young Disciple** Ahmad Randall,2014-10-09 Lessons for a Young Disciple for any and all youth and young
