Discipling My Myself:

How Can I Find Someone to Disciple Me? J. Garrett Kell, 2021-03-15 I eagerly commend this series R Albert Mohler Jr President The Southern Baptist Theological Seminary Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment Discipleship is an important part of the Christian life As we follow Jesus we learn the importance of pointing unbelievers to Jesus and helping believers grow in their relationship with him But how do you know where to start In this addition to the Church Questions series Garrett Kell explores the Bible s teaching on discipleship and how that plays out practically in the context of the local church

Discipline Yourself for Godliness John Barnett, 2004 *Please Become Our Disciple!* Donna Louise Smith, Jon Dean Smith, 2014-12-15 If you are desperate to know God better this book is for you If you want to be taught by gentle yet firm veterans just like Jesus taught his twelve disciples this book is for you If you want to produce disciples who can overcome persecution this book is for you Observing our mature Christlike friends change their home lives and workplaces into peaceful excellent production centers brings us joy Watching them continue to maximize others around them brings us great joy

Discipleship as Holy Collaboration Yolanda Solomon, 2024-05-14 In this practical guide Yolanda Solomon offers biblical exposition and personal narratives to help us become disciples who are invited by Jesus to collaborate with God in a sacred group project With a discussion guide and multiple step by step praxis activities this book will encourage equip and reignite your passion to disciple others

Essential Bible Wisdom: GOOD NEWS by John, the Beloved Disciple, and John, the Elder John Howard Reid, 2007-11-20 This completely new translation and reconstruction of John s Gospel and his three Letters or Epistles in the New Testament of the Bible presents these books in their entirety and attempts to identify the Gospel contributions of John the priest the beloved disciple and John the elder or presbyter John s Letters of course were all written by the elder Also included in this Good News is the Letter to Christian Exiles by Peter and Silvanus in which it is argued that although the letter known as 1 Peter in English Bibles was issued under Peter s authority he had very little to do with its actual composition 25 pages of Notes are also provided on various topics arising from this new translation and reconstruction including an account of the four men named John who are associated with the Gospel and the exclusive use of the Septuagint Old Testament rather than the Hebrew Bible as the source of all quotations from Scripture by New Testament writers

Onesimus, Memoirs of a Disciple of St. Paul Edwin Abbott Abbott, 1882 **The Disciple Maker's**

Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature

follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts
