Discourse And Context An Interdisciplinary Study Of John Henry Newman:

Discourse and Context Gerard Magill, 1993 This collection arises from papers presented during the three day Newman Centenary Conference at Saint Louis University In it the contributors enter a critical dialogue with Newman s writings from the perspectives of literature and history rhetoric and education and philosophy and theology to offer a scholarly appraisal of Newman s creativity and genius

The Oxford Handbook of John Henry Newman Frederick D. Aquino, Benjamin John King, 2018 John Henry Newman 1801 1890 has always inspired devotion Newman has made disciples as leader of the Catholic revival in the Church of England an inspiration to fellow converts to Roman Catholicism a nationally admired preacher and prose writer and an internationally recognized saint of the Catholic Church Nevertheless he has also provoked criticism The church authorities both Anglican and Catholic were often troubled by his words and deeds and scholars have disputed his arguments and his honesty Written by a range of international experts The Oxford Handbook of John Henry Newman shows how Newman remains important to the fields of education history literature philosophy and theology Divided into four parts part one grounds Newman s works in the places cultures and networks of relationships in which he lived Part two looks at the thinkers who shaped his own thought while the third part engages critically and appreciatively with themes in his writings Part four examines how those themes have shaped conversations in the churches and the academy This Handbook will serve as an important resource to critical and appreciative exploration of the person writings controversies and legacy of Newman

Religious Morality in John Henry Newman Gerard Magill, 2014-09-24 This book is a systematic study of religious morality in the works of John Henry Newman 1801 1890 The work considers Newman s widely discussed views on conscience and assent analyzing his understanding of moral law and its relation to the development of moral doctrine in Church tradition By integrating Newman s religious epistemology and theological method the author explores the hermeneutics of the imagination in moral decision making the imagination enables us to interpret complex reality in a practical manner to relate belief with action The analysis bridges philosophical and religious discourse discussing three related categories The first deals with Newman s commitment to truth and holiness whereby he connects the realm of doctrine with the realm of salvation The second category considers theoretical foundations of religious morality and the third category explores Newman s hermeneutics of the imagination to clarify his view of moral law moral conscience and Church tradition as practical foundations of religious morality The author explains how secular reason in moral discernment can elicit religious significance As a result Church tradition should develop doctrine and foster holiness by being receptive to emerging experiences and cultural change John Henry Newman was a highly controversial figure and his insightful writings continue to challenge and influence scholarship today This book is a significant contribution to that scholarship and the analysis and literature comprise a detailed research guide for graduates and scholars

Truth and Responsibility: A Personalist Reading of Newman Jan Klos, 2023-11-13 This book goes beyond a simple study of Newman s thought and

work and seeks to apply his deductions to modern value conflicts Although it will be of particular relevance to academic readers with some prior knowledge of Newman s works it may also be of wider interest to students of history philosophy theology and spirituality More generally its unusual focus on Newman s epistemology and philosophical deductions and how these relate to present day dilemmas should also attract interest from his many non academic followers and devotees The main value of this work lies in its original approach to Newman from a Polish Personalist perspective and this rather than as another amorphous study of Newman could give it novelty value and attract real interest from Newman scholars and experts Jonathan Luxmoore Oxford based writer and Church historian How do we evaluate a human life our own life Beginning with John Henry Newman s defence of his life Jan K os in this volume sensitively explores from a personalist perspective how all our lives involve struggle with commitment responsibility and truth In its emphasis on the narrative structure of human lives the book makes a valuable contribution not just to the philosophy of personalism but to social theory overall Douglas Porpora Professor of Sociology Drexel University

Romanticism and the Anglican Newman David Goslee,1996 Goslee s study maintains that Newman s Anglican writing although widely considered irrelevant to the main currents of the post Enlightenment in fact reinterprets Romantic transcendence within a uniquely dialogic paradigm It is this paradigm he argues that critics need to explore as a link between sacred and secular domains within Victorian culture Goslee s own exploration is accomplished in three parts First he describes Newman s early renunciation of modern thought then analyzes the dialogic Romanticism that informs New man s Anglican works particularly its power to expand his conception of personal identity spiritual election militant purpose self criticism and cultural critique Finally he follows the collapse of this Romantic synthesis under the burden of its own success natural and preternatural presences break into Newman s dialogue with his God and then his God becomes transformed into a threat that must be constrained within an institutional church Throughout this study Goslee follows a hermeneutic strategy suggested by Newman s own descriptions of his compositional practice examining thematically related passages from different times and contexts to see just how far Newman s ideas might take him Goslee concludes that this leading nineteenth century religious writer who rejected Romanticism for its decadent modern subjectivity nevertheless clearly participated in the secular Romanticism of his day

Recent Catholic Philosophy Alan Roy Vincelette,2009 Catholic thinkers contributed extensively to philosophy during the Nineteenth Century Besides pioneering the revivals of Augustinianism and Thomism they also helped to initiate such philosophical movements as Romanticism Traditionalism Semi Rationalism Spiritualism Ontologism and Integralism Unfortunately the exceptional

diversity and profoundness of this epoch in Catholic thought has all too often been underappreciated This book consequently traces the work of sixteen leading Catholic philosophers of the Nineteenth Century so as to make evident their seminal offerings to philosophy namely Bautain Blondel Bonald Brownson Chateaubriand Gratry Gunther Hermes Kleutgen Lequier Mercier Newman Olle Lapruné Schlegel Ravaisson Mollien and Rosmini Serbati **Values and Public Life** Gerard Magill, Marie D. Hoff, 1995-08-15 This collection of essays relates personal belief with public morality by presenting an interdisciplinary study of values as a stimulus for public debate where religion and society can interact constructively The essays are the outcome of a year long interdisciplinary conversation on values among different departments at Saint Louis University The term conversation suggests an open minded and open ended forum where meanings are grappled with and ongoing exploration of new possibilities is encouraged The essays examine both process and policy questions that arise when values are respected in public life Contents Introduction Public Conversation on Values Gerard Magill and Marie D Hoff Process The Justification of Toleration Richard H Dees The Literature of the Essay and the Discourse of Values Vincent G Casaregola Hermeneutics and Democracy Religious Dialogue on Values in the Public Arena Gerard Magill Democratic Morality Perspectives from the Women s Movement Wynne Walker Moskop Social Values and Bureaucratic Morality Kathryn E Kuhn Policy The Welfare State and Social Justice Marie D Hoff The American Health Care System and the Pursuit of Health Jean deBlois CSJ Technology and the Environment Conquest Harmony and Stewardship Gregory R Beabout Environmental Law and Democratic Legitimacy Douglas R Williams Culture Values and the Christian University Richard W Dumphy S J
