make If you want better outcomes in your life understanding the Dynamics of Choice Theory can help you be your best possible self Pickup the book and put some new tools into your cognitive toolbox You have more to gain than you have to lose than you will ever know 60 **Discover Your Destiny With The Monk Who Sold His Ferrari** Robin Sharma,2010-07-01 Like his megaselling *The Monk Who Sold His Ferrari* the book that started it all *Discover Your Destiny with The Monk Who Sold His Ferrari* delivers another life changing fable to help readers see the world through a completely new set of eyes This latest guide offers more of the inspiring but highly practical wisdom of the now famous Julian Mantle the superstar lawyer who traded his jet set lifestyle and prized Ferrari for enlightenment and fulfillment Readers will learn the true purpose of their lives how to unlock their highest potential the secret of boundless joy and a direct route to personal freedom A must read for all Monk fans *The Holy Bible Plus* J.
