Discovering the Pearl of Great Price Eldred Echols,1992 **Discovering the Pearl of Great Price** Eldred Echols,1992-05-01 **No Fear!** Larry Calvin,1995 [The Cumulative Book Index](#) ,1994 A world list of books in the English language **Bible Studies** Bernie Medoff,2021-07-12 The Parable of the Pearl also called the Pearl of Great Price is one of the parables of Jesus It appears in Matthew 13 45 46 and illustrates the great value of the Kingdom of Heaven It immediately follows the Parable of the Hidden Treasure which has a similar theme Again the Kingdom of Heaven is like a pearl merchant on the lookout for choice pearls When he discovered a pearl of great price he sold everything he owned and bought it Matthew 13 45 46 And thus begins the Pearl of Great Price Jesus spoke tenderly of a priceless pearl in His sermon about the Kingdom of Heaven Jesus said that He spoke in parables to hide the secrets of the kingdom from some and reveal them to others This does not mean His parables are full of esoteric information that only a select few can grasp Indeed Christ s enemies often understand exactly what His parables mean the problem is their refusal to trust His teaching about Himself and God s kingdom Join me for a deeper look at our Lord s most inspiring parables **The Amazing Parables of Jesus Christ** Valda Charles Morgan,2005-09 The discovery of the collection of the 86 parables of Jesus Christ without commentary may be the ultimate Christen self discovery success process you have been praying for By recognizing the mystical understanding of each parable you can find the insights that bring the experience of your immortality into a direct conscious experience This experience of being consciously immortal can then be experienced anywhere anytime and under any circumstance This immortality experience is for you since the parables are about you Jesus taught the mystical parables to anyone that would listen to them evaluate them then make decisions about them and then experience the mystical secret and then enter into daily actions based upon the living experience from them The 86 parables of Jesus Christ have been hidden in the books of Matthew Mark Luke and John as part of the story of Jesus Christ The discovery of the collection of the parables brings into focus the profound mystical teachings about our immortality in a discovery process that can be followed as long as a soul can read them from a mystical viewpoint as well as from a mortal point of view The book AMAZING PARABLE COLLECTION DISCOVERY OF JESUS CHRIST without commentary is written in two parts The first part of the book is just the 86 treasure parables in a collection form and in sequence as found in the New Testament of the Holy Bible The second part of the book is called The Freedom Road where I explain the differences between mortally understanding the parables and mystically understanding the meaning of each parable The parables are like personal treasures about you However the parables are wrapped in a mysticalsecret language The Freedom Road shows a way to transcend ordinary thinking about you It produces a self discovery process for your Christian Identity that is fresh and self evident We have now started the third Millennium of Christianity and the true Identity self discovery process as taught to us by Jesus Christ The discovery of the parables in a collection form can show to you your mystical side of yourself The fruit of your faith can be the direct self

evident experience of being immortal This conscious experience of being immortal can open up a wonderful realm of personal treasures about your mortal and immortal life If you would like to evolve as a faith soul then studying the mystical side of the parables is just right for you If you would like to change some of your personality attitudes then you have a fresh new map or blueprint to aid your desires If you would like to understand other souls better then the deciphering of the parables mystically will answer your prayers When you read the parable collection from beginning to end Jesus is talking to you about you for about three hours These three hours of listening to Jesus secret teachings about you and your immortality and your life in heaven forever will open your heart mind and soul The discovery of the direct experience of you being immortal is certainly worth the effort You will then want to make some decisions about you and in doing so you will also make new decisions about God and the Family of God These decisions about God and the Family of God may be subtle or the decisions may be drastic Everything depends upon your current state of Christian evolution In the first part of the book the parables stand alone without any commentary from myself about what the mortal or mystical insights are to any of the parables In the second part of the book called The Freedom Road I offer some thought provoking insights about you but I do not offer any mystical explanations about the meaning of any of the parables I have left that up to you to have the pure fun and enjoyment of mystically deciphering the parable treasures for yourself about you In closing I would like to encourage you to invest some time with Jesus and listen to
