new foundation for how she now perceives and values her relationship with her dad and with God how she looks back on circumstances around the closing of her beloved bakery and how she moves forward in life today By sharing her journey from fear and failure to infinite possibilities Lesia shows us that just because life has been a certain way up until now doesn't mean it has to be that way going forward The stories nuggets and aha's in this book open the door for others to realize that we can all choose to live from love rather than fear at any time that we are all creators of our reality and that we are all infinitely more
