Christmas would be caught and consumed by the monstrous Christmas Cat Bad Santa celebrates some of the most imaginative terrifying and outright curious Christmas figures from across Europe looking closely at its legacy of disquieting fairy stories With beautiful black and white line drawings in each chapter this unusual entertaining and gleefully dark exploration of seasonal folklore will make an ideal Christmas gift and the perfect book for reading around the fireside

Christmas Customs and Folklore, by Margaret Baker Margaret Baker, Stories Behind the Great Traditions of Christmas Ace Collins, 2003 Examines the stories behind the customs and traditions of Christmas including Advent wreaths holly Nativity scenes Yule logs caroling and Santa Claus Europa Sun Issue 2 Carolyn Emerick, Various Authors, 2017-12-28 The second issue of Europa Sun has landed with a bang While we were very proud of our debut we dare say that Issue 2 might have even superseded it This issue bursts with impassioned love for European ethnic heritage and makes no bones about it Our writers share their love of the history and culture of their heritage in cogent and illuminating ways We explore history both ancient and more recent Our authors elucidate on issues we face as a culture today while placing it in historical context We discuss faith from multiple perspectives as to how it pertains to our cultural identity This issue includes both Christian and pagan writers including one writer who explains why as a Christian he gets so much value from European native mythos Another writer explains how Christianity is intertwined with ethnic nationalism for Eastern Europeans The editor discusses the unbroken survival of European Native Faith while yet another contributor discusses the shared history and need to come together between Christians and European pagans as we face a common enemy who threatens the culture we both love But this issue is not overpowered by religious discussion We've got explorers warriors kings and lost tribes In fact it wasn't intentional but this issue is jam packed with masculine energy While this was not the editor's planned intention she is not sorry for its happenstance In a world where Marxist distortion pervades our media and education today and perverts the mainstream view of history Europa Sun is more than happy to stand up for white Western men and boldly assert that we have a history to be PROUD of *PANCAKES AND PLUM PUDDING* Elizabeth

Jerman, 2020-05-25 This is a comprehensive history of the world's midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what

web oct 3 2002 the primary aim of this study is to explore the potential use of different roll forming methods to reduce springback and part shape defects in the cold roll forming of ti 6al 4v sheet and to develop a deeper understanding of the material behaviour of ti 6al 4v in the process
