Discovering The Leader Within Running Small Groups Successfully:

Let the Church Meet in Your House! Emerson T. Manaloto, 2019-10-31 The communities in which we live all suffer alienation from God and the sin social disorder and brokenness that follows As Christians we yearn to see our communities saturated with the good news of Jesus Christ but there are countless obstacles to overcome in our churches and mission agencies as we seek to fulfil this vision In this book Emerson Manaloto offers the model of New Testament based house churches as the vehicle for gospel ministry in communities around the world with specific applications for the Filipino context Examining four areas leaders learners lessons and locations Dr Manaloto presents foundational principles of the New Testament that can be the basis for our own contemporary churches and ministry Manaloto critically analyzes the house church in terms of its concepts in the first century its context in the Greco Roman world and its practices as outlined in the New Testament This analysis is then used to draw conclusions for how twenty first century small groups in the Philippines can be stable mature and multiply resulting in the birth of more churches locally and globally and the transformation of lives and communities as they encounter Jesus Christ

Leadership for Adolescents Carolyn M. Anderson, 2013-11 Some say leaders are individuals who get people to do what they want them to do while others say leaders are those who are perceived by others as powerful and influential Still others say that leaders are simply born to lead Regardless of the definition however it is undeniable that leadership plays an important role in society In Leadership for Adolescents author Dr Carolyn M Anderson offers a seven step guide to help teenagers understand the role of a leader and to teach them the skills needed for a leadership position Detailing key characteristics she discusses the I in leader theme developing a basic understanding of self and of the leadership skills competencies and characteristics one already possesses She also explores essential verbal and nonverbal communication skills decision making in small groups conflict what it means and how it can be managed the need for integrity and the importance of an ethical approach to living and leading and the importance of continuous learning The process of assuming a leadership role entails learning experiencing and continuous growth in skill building Including discussion exercises to reinforce learning the book provides a foundation that can help teens navigate their academic career and eventual career path
