Discovering The Narrow Path A Guide To Spiritual Balance:

Discovering the Narrow Path N. Graham Standish, 2002-01-01 In a time when competing and often irreconcilable belief systems seem to dominate all religious conversation in Christianity N Graham Standish offers an alternative for leading a spiritual and faithful life Providing models that embrace elements of many spiritual traditions within Christianity Discovering the Narrow Path seeks to hold all extremist positions in perfect tension by integrating their essential truths yet also recognizing their flaws In doing so Standish surveys the wisdom of the mystics the practice of forming a Trinitarian faith the openness of healing traditions and the value of balancing prayer and action as well as spirituality theology and religion Complete with two appendices one a guide for group study and one an introduction to spiritual reading Discovering the Narrow Path is an essential resource for those seeking spiritual fulfillment

Becoming a Blessed Church N. Graham Standish, 2016-05-08 Pastor and author N Graham Standish describes how a church that is open to God's purpose presence and power can claim God's blessing Standish shares the story of Calvin Presbyterian Church in Zelienople Pennsylvania and its journey to become a spiritually deep congregation one that is inwardly and outwardly healthy spiritually psychologically physically and relationally Becoming a Blessed Church will help you discern God's purpose and the path God is calling your congregation to walk This book will help you find Christ in your midst and become aware of the many ways the blessings of God's Spirit flow through your congregation This second edition includes three new practical chapters that answer the questions the author is most frequently asked how to effectively run a group discernment practice how to create an effective small group program and how to set a church vision in a new direction that actually works

The Great CoMission Brooks St. Clair Morton, 2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church
